WOODEN FLOORING DESIGN • COLLECTION 2026

CHEVRON BLONDE OAK

CODE: WF-01

Classic 45-degree French chevron engineered European oak planks featuring a luminous blonde tone that reflects natural daylight across spacious open living salons.

DESIGN HIGHLIGHTS:

- Prime grade European white oak top wear layer (4mm)
- Micro-beveled 45-degree angle precision milled joints
- UV-cured ultra-matte natural oil polyurethane finish
- Multi-ply birch core engineered for thermal underfloor heating

DESIGN REF: WF-01

European White Oak • French Chevron • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

VERSAILLES PALACE PARQUET

CODE: WF-02

Opulent 800×800mm Versailles pattern marquetry panels crafted from aged European oak and French walnut, evoking the timeless grandeur of classical chateaux.

DESIGN HIGHLIGHTS:

- Authentic hand-assembled Versailles basketweave pattern
- Dual-tone French oak with aged smoked walnut inserts
- Hand-scraped and wire-brushed antique surface texture
- Commercial grade heavy-traffic matte protective seal

DESIGN REF: WF-02

Versailles Pattern • Hand-Assembled • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

ARTISAN INLAID MARQUETRY

CODE: WF-03

Intricate geometric parquet flooring combining quarter-sawn oak frames with rich walnut inlays, handcrafted for stately drawing rooms and dining salons.

DESIGN HIGHLIGHTS:

- Bespoke artisanal geometric framing and marquetry inlays
- Select quarter-sawn timber minimizing seasonal expansion
- Precision tongue-and-groove perimeter panel interlocking
- Satin-rubbed zero-VOC organic wax oil topcoat

DESIGN REF: WF-03

Quarter-Sawn Oak • Walnut Inlays • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

MULTI-TONE RUSTIC OAK

CODE: WF-04

Dynamic multi-width timber planks featuring alternating tonal stains and rich character knots, delivering warmth and visual cadence beside natural stone fireplaces.

DESIGN HIGHLIGHTS:

- Random width and multi-tonal hand-stained plank layout
- Enhanced grain character with filled rustic knots and cracks
- High-durability aluminum oxide scratch-resistant wear layer
- Silent-step acoustic underlay compatibility

DESIGN REF: WF-04

Multi-Tonal Oak • Rustic Grain • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

NATURAL CORK BURL TILES

CODE: WF-05

Natural Portuguese cork flooring engineered with organic swirl burl patterns, providing supreme underfoot thermal warmth and natural acoustic dampening.

DESIGN HIGHLIGHTS:

- 100% renewable harvested Mediterranean cork oak bark
- Supreme impact sound reduction up to 19dB
- Naturally anti-microbial, hypoallergenic, and water-repellent
- Flexible ergonomic underfoot cushion relieving joint fatigue

DESIGN REF: WF-05

Renewable Cork • Acoustic Cushion • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

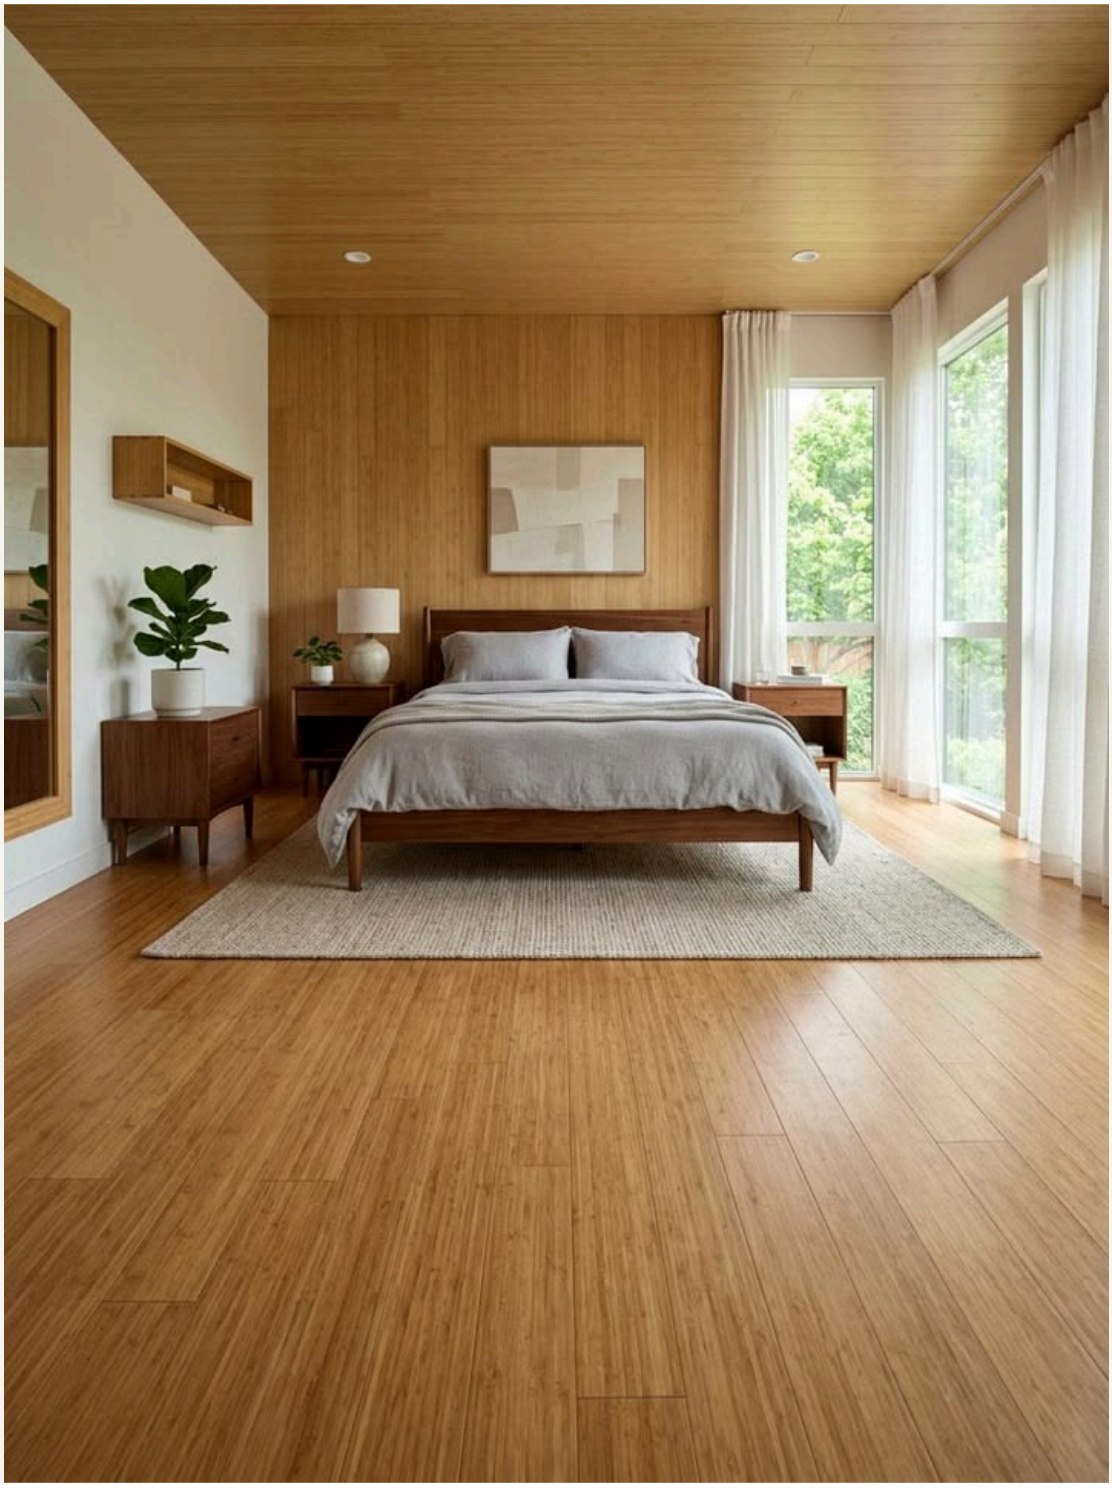

ZEN STRAND-WOVEN BAMBOO

CODE: WF-06

Ultra-dense vertical strand-woven natural bamboo planks in a warm caramel hue, bringing clean Scandinavian minimalism to luxury master bedrooms.

DESIGN HIGHLIGHTS:

- High-density strand-woven bamboo twice as hard as red oak
- Eco-certified rapid-renewable organic Moso bamboo
- Precision click-lock floating installation system
- Low-VOC protective matte polyurethane protective finish

DESIGN REF: WF-06

Strand Bamboo • High Density • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

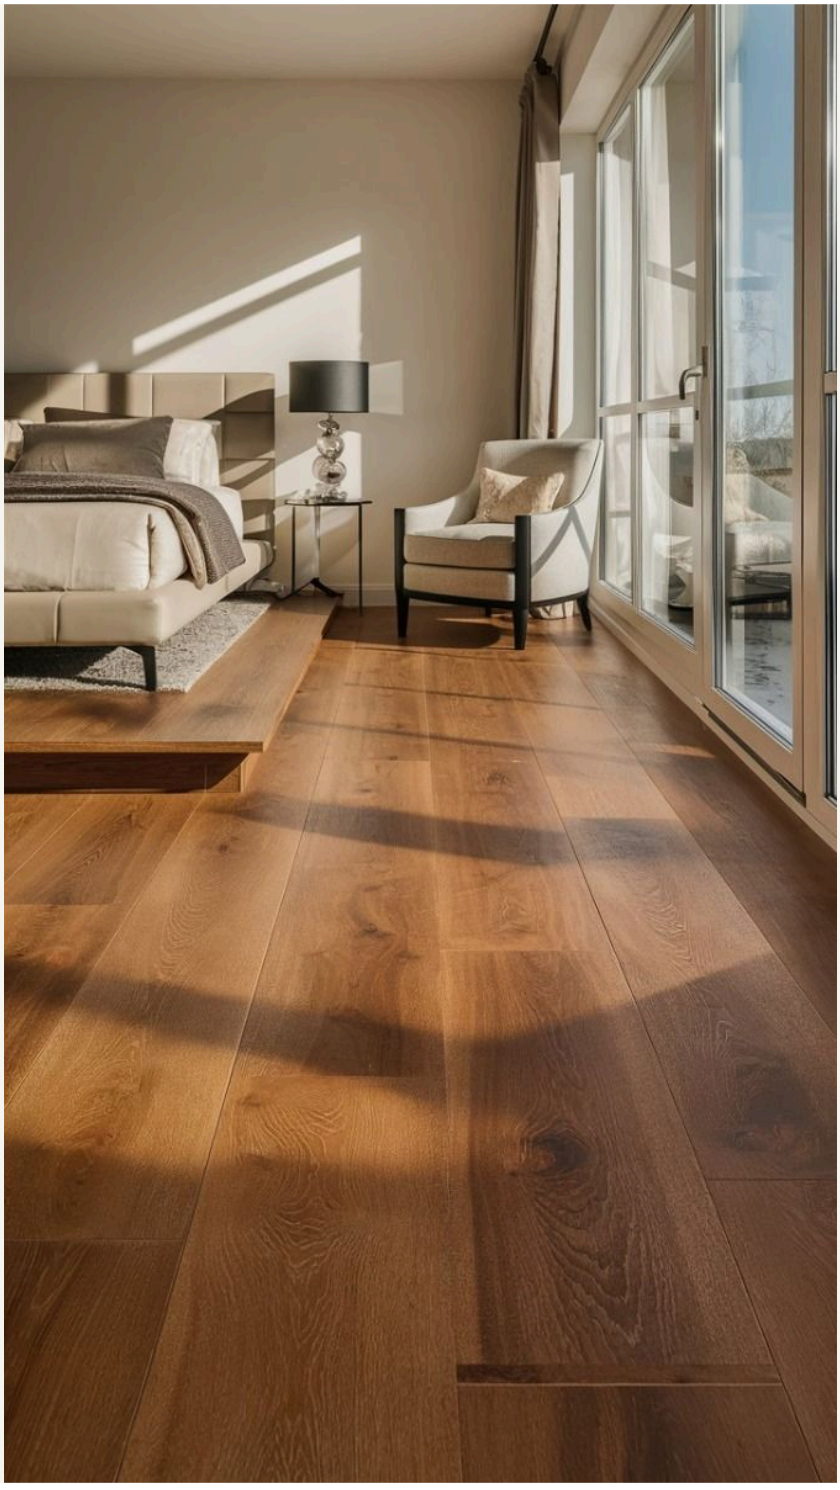

GOLDEN NATURAL WIDE OAK

CODE: WF-07

Grand 220mm extra-wide engineered oak planks radiating a warm honey-amber glow under direct sunlight, visually elongating open master suites.

DESIGN HIGHLIGHTS:

- Super-wide 220mm format boards up to 2200mm length
- Subtle wire-brushed surface highlighting natural oak cathedrals
- Cross-laminated multi-layer core resisting seasonal cupping
- Stain-resistant topcoat safeguarding against daily spills

DESIGN REF: WF-07

Wide Plank Oak • Honey Amber • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

AMERICAN WALNUT SALON

CODE: WF-08

Refined deep cocoa American walnut planks showcasing flowing chocolate grain ribbons and natural purple undertones for sophisticated living spaces.

DESIGN HIGHLIGHTS:

- Authentic prime American black walnut (Juglans nigra)
- Deep lustrous natural cocoa heartwood with minimal sapwood
- Ultra-smooth satin lacquer finish emphasizing grain depth
- Concealed glued-down installation for maximum underfoot stability

DESIGN REF: WF-08

American Walnut • Flowing Grain • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

CLASSIC NORDIC HERRINGBONE

CODE: WF-09

Traditional 90-degree Scandinavian herringbone parquet in an untreated raw oak tone, offering architectural geometry and refined acoustic composure.

DESIGN HIGHLIGHTS:

- Precision 90-degree herringbone blocks (120×600mm)
- Nordic blonde raw timber finish with anti-yellowing UV shield
- Beveled four-sided edge micro-grooves defining each block
- Certified suitable for hydronic underfloor heating grids

DESIGN REF: WF-09

WOODEN FLOORING DESIGN • COLLECTION 2026

BURMESE TEAK GOURMET

CODE: WF-10

Rich golden-brown Burmese teak planks with natural silica and essential oils, providing unmatched moisture resistance in gourmet kitchen and dining zones.

DESIGN HIGHLIGHTS:

- Genuine old-growth teak timber rich in natural protective oils
- Outstanding dimensional stability in humid kitchen environments
- Warm caramel tone that darkens into a deep amber patina
- Food-safe zero-VOC protective natural oil treatment

DESIGN REF: WF-10

Burmese Teak • Moisture-Immune • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

DIAGONAL OAK LINEAR

CODE: WF-11

Engineered white oak planks installed on a 45-degree diagonal axis to visually expand room boundaries and break conventional orthogonal layouts.

DESIGN HIGHLIGHTS:

- Architectural diagonal installation expanding perceived space
- Consistent straight rift-and-quartered grain selection
- Double-lacquered aluminum oxide ceramic wear coat
- Precision square-edge profile for a seamless planar surface

DESIGN REF: WF-11

Rift White Oak • Diagonal Layout • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

ROYAL SUNBURST MARQUETRY

CODE: WF-12

Bespoke artisanal radial starburst parquet medallion handcrafted with multi-segmented oak and walnut rays radiating from a central architectural focal point.

DESIGN HIGHLIGHTS:

- Artisanal radial sunburst medallion with over 120 hand-cut rays
- Contrasting grain angles creating optical 3D luminescence
- Laser-calibrated mitred joinery with zero-gap tolerances
- Signature centerpiece installation for grand foyers and salons

DESIGN REF: WF-12

Radial Marquetry • Starburst Centerpiece • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

BRAZILIAN CHERRY STAIR & PLANK

CODE: WF-13

Exotic Jatoba Brazilian cherry hardwood with deep auburn-russet undertones, seamlessly transitioning from expansive floors onto cantilevered staircases.

DESIGN HIGHLIGHTS:

- High Janka hardness rating (2350 lbf) resisting heavy wear
- Integrated matching stair tread nosing and riser profiles
- Deep reddish-brown exotic grain that enriches with ambient light
- Multi-coat UV high-gloss cured commercial grade seal

DESIGN REF: WF-13

Brazilian Cherry • Integrated Stair • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

SEAMLESS BLONDE SPC

CODE: WF-14

Rigid-core Stone Polymer Composite flooring with synchronized 3D embossed oak wood grain, offering 100% waterproof performance for entry foyers.

DESIGN HIGHLIGHTS:

- High-density limestone composite rigid core (SPC)
- 100% waterproof construction impervious to standing water
- Integrated acoustic IXPE backing absorbing footfall sound
- Synchronized in-register embossed surface texture

DESIGN REF: WF-14

Waterproof SPC • Synchronized Grain • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

SMOKED WALNUT CONTRAST CHEVRON

CODE: WF-15

Dramatic dark smoked walnut chevron parquetry featuring bold contrast grain ribbons that define luxurious masculine lounges and library suites.

DESIGN HIGHLIGHTS:

- Thermal vacuum-smoked walnut with through-body rich tone
- Sharp 45-degree angle chevron alignment creating dynamic energy
- Deep matte lacquer seal with 5% ultra-low reflection sheen
- Engineered multi-ply substrate resisting seasonal warpage

DESIGN REF: WF-15

Smoked Walnut • French Chevron • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

MINIMALIST ARCHITECTURAL OAK

CODE: WF-16

Understated pale biscuit oak strip flooring laid with continuous sightlines through open doorways, creating seamless transitions across minimalist flats.

DESIGN HIGHLIGHTS:

- Continuous uninterrupted board layout across all rooms
- Soft neutral biscuit hue pairing seamlessly with white walls
- Concealed expansion threshold trims at door openings
- Commercial AC4 scratch and abrasion resistance rating

DESIGN REF: WF-16

Architectural Oak • Seamless Transitions • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

PORTUGUESE NATURAL CORK PLANK

CODE: WF-17

Sustainable honey-tone cork plank flooring installed across open gourmet kitchens, delivering thermal insulation and shock-absorbing ergonomic resilience.

DESIGN HIGHLIGHTS:

- Engineered cork construction with water-resistant core
- Warm underfoot surface reducing energy consumption
- Cushioned cell structure reducing impact shock on dropped china
- Sealed with non-toxic polyurethane resisting moisture & grease

DESIGN REF: WF-17

Portuguese Cork • Thermal Insulation • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

BLEACHED TEXTURED CORK GALLERY

CODE: WF-18

Light bleached cork flooring with subtle linear striated texture, reflecting soft skylight through long art galleries and serene residential hallways.

DESIGN HIGHLIGHTS:

- Artisanal bleached cork surface with organic linear striations
- Superior acoustic sound baffling eliminating hall echo
- Eco-friendly FSC-certified sustainable timber harvest
- Matte nano-shield finish protecting against UV fading

DESIGN REF: WF-18

Bleached Cork • Sound Baffling • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

NATURAL HORIZONTAL BAMBOO

CODE: WF-19

Classic horizontal grain natural bamboo flooring showcasing characteristic bamboo nodes and a bright golden wheat hue beside stone fireplaces.

DESIGN HIGHLIGHTS:

- Distinctive horizontal grain pattern highlighting growth nodes
- Fast-growing sustainable bamboo with rapid harvest cycle
- High dimensional stability resisting moisture swings
- Pre-finished with 7 coats of scratch-resistant UV seal

DESIGN REF: WF-19

Horizontal Bamboo • Golden Wheat • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

ISOMETRIC CUBE PARQUET

CODE: WF-20

Intricate geometric three-dimensional isometric cube parquet combining walnut, oak, and maple rhombuses to create an astounding trompe l'oeil optical relief.

DESIGN HIGHLIGHTS:

- Three-wood geometric composition: Walnut, Oak, and Maple
- Optical 3D tumbling cube pattern creating spatial depth
- Precision laser-cut rhombuses assembled with master tolerances
- Antique oil-rubbed patina finish enhancing wood luster

DESIGN REF: WF-20

3D Tumbling Cube • Trompe L'Oeil • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

GIANT PALE OAK GALLERY

CODE: WF-21

Expansive Scandinavian pale white-oil giant oak planks providing an ethereal, sunlit foundation for modern art galleries and contemporary lounges.

DESIGN HIGHLIGHTS:

- Architectural giant format boards up to 300mm wide
- White pigmented breathable hardwax oil surface finish
- Light-reflective tone maximizing natural ambient light
- Triple-core structural engineering for underfloor heating

DESIGN REF: WF-21

Scandinavian Oak • Giant Format • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

HEXAGON PARQUET MARQUETRY

CODE: WF-22

Statement luxury living room floor composed of interlocking geometric oak hexagons framed by smoked wood borders, defining upscale European salons.

DESIGN HIGHLIGHTS:

- Artisan geometric hexagonal parquet interlocking geometry
- Smoked dark oak border framing blonde center hexagonal tiles
- Hand-finished edges with subtle micro-bevel definitions
- High wear-layer allowing multiple lifetime re-sanding cycles

DESIGN REF: WF-22

Hexagon Parquet • Smoked Borders • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

RESILIENT HONEY OAK LVP

CODE: WF-23

Commercial-grade pet-friendly luxury vinyl plank flooring combining authentic timber visual depth with total resistance against pet claws and household spills.

DESIGN HIGHLIGHTS:

- Heavy-duty 0.55mm commercial wear layer resisting pet scratches
- 100% waterproof high-density rigid core substrate
- Anti-slip surface texture with authentic embossed wood grain
- Attached sound-absorbing high-density acoustic underlay

DESIGN REF: WF-23

Pet-Friendly LVP • Scratch-Resistant • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

TERRACOTTA & TIMBER ACCENT

CODE: WF-24

Architectural interior corridor uniting antique terracotta patterned tiles with warm oak wood flooring, creating an evocative Mediterranean transition.

DESIGN HIGHLIGHTS:

- Dual-material transitional junction between wood and encaustic tiles
- Solid brass divider threshold profile with flush alignment
- Smooth matte natural oak boards complementing artisanal ceramics
- Heritage architectural character for entrance galleries

DESIGN REF: WF-24

Tile & Oak Transition • Brass Reveal • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

RECLAIMED TEXTURED BARNWOOD

CODE: WF-25

Deep wire-brushed reclaimed oak flooring highlighting weathered grain valleys, sawmill saw marks, and authentic historic character for rustic retreats.

DESIGN HIGHLIGHTS:

- Authentic reclaimed European barn timbers with rich patina
- Intense wire-brushed surface exposing natural annual ring valleys
- Zero-sheen dead-matte breathable oil seal
- Unrepeatable historic character marks, knots, and nail scars

DESIGN REF: WF-25

Reclaimed Barnwood • Deep Wire-Brushed • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

SUN-DRENCHED RAW OAK

CODE: WF-26

Extra-wide prime European white oak boards finished with an invisible raw lacquer, maintaining the exact look and touch of freshly sawn natural timber.

DESIGN HIGHLIGHTS:

- Super-matte invisible lacquer retaining raw wood appearance
- Wide 240mm boards highlighting sweeping cathedral grain
- Engineered balanced cross-grain birch core
- Anti-scratch and UV-blocking formula preventing wood yellowing

DESIGN REF: WF-26

Raw Timber Look • Invisible Seal • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

CARAMEL STRAND WOVEN BAMBOO

CODE: WF-27

Caramelized high-density strand woven bamboo planks providing rich amber warmth and extreme dent resistance in sunlit residential apartments.

DESIGN HIGHLIGHTS:

- Thermal caramelized sugar reaction producing natural warm tone
- Engineered strand compression delivering unmatched hardness
- Precision tongue-and-groove system for nail-down or glue-down
- Non-toxic eco-adhesives with zero formaldehyde emissions

DESIGN REF: WF-27

Caramel Bamboo • Dent-Resistant • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

TRI-TONE GEOMETRIC CHEVRON

CODE: WF-28

Dynamic tri-color chevron parquetry interweaving natural blonde oak, warm cognac, and dark smoked walnut for an energetic contemporary statement floor.

DESIGN HIGHLIGHTS:

- Artistic tri-color geometric rhythm alternating three timber tones
- Crisp precision 45-degree angled chevron interlocking profiles
- High-grade commercial matte protective seal with low sheen
- Architectural focal flooring for design studios and luxury lofts

DESIGN REF: WF-28

Tri-Tone Chevron • Dynamic Rhythm • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

TIGERWOOD STRIATED CORK

CODE: WF-29

Exotic striated natural cork flooring featuring dramatic dark tiger-stripe grain fissures, delivering avant-garde tactile texture and supreme sound insulation.

DESIGN HIGHLIGHTS:

- Dramatic natural striated cork grain pattern with dark mineral veins
- Supreme footfall noise dampening ideal for multi-story residences
- Warm and soft underfoot ergonomics reducing muscle strain
- Hardwearing commercial ceramic wear topcoat

DESIGN REF: WF-29

Striated Cork • Avant-Garde Texture • Capsule Company

WOODEN FLOORING DESIGN • COLLECTION 2026

MULTI-WIDTH RANDOM WALNUT

CODE: WF-30

Sophisticated random-width engineered American walnut and hickory planks with rich dark heartwood ribbons and contrasting golden sapwood accents.

DESIGN HIGHLIGHTS:

- Staggered random width plank layout (130mm, 180mm, 220mm)
- Natural contrasting heartwood and sapwood character grain
- Ultra-matte protective polyurethane seal resisting foot traffic
- Precision milled edges ensuring perfectly level floor plane

DESIGN REF: WF-30

Random Width Walnut • High Contrast • Capsule Company
