BAR COUNTER MODEL • COLLECTION 2026

CODE: BC-S2-ALCOVE

ALCOVE

A bespoke built-in niche bar framed in natural light oak woodwork, showcasing vertical fluted cladding, a honed stone prep surface, and tiered illuminated glassware shelving.

DESIGN HIGHLIGHTS:

- Symmetrical built-in niche architecture with solid oak surround framing
- Vertical fluted timber front paneling with continuous lower footrail
- Warm 2700K integrated LED light channels beneath all glass display tiers
- Integrated polished chrome wet-bar faucet and concealed prep basin
- Curved natural wood minimalist bar stools with padded circular seats

MODEL REF: BC-S2-ALCOVE

Architectural • Symmetrical • Refined

BAR COUNTER MODEL • COLLECTION 2026

CODE: BC-S3-HORIZON

HORIZON

An airy high-rise apartment lounge bar positioned against panoramic city skyline windows, featuring floating back-lit natural wood ledges and a compact linear cocktail counter.

DESIGN HIGHLIGHTS:

- Linear space-saving dry bar layout optimized for luxury apartment living
- Dual floating timber display shelves with continuous diffused LED edge-glow
- Honed white composite stone countertop with clean square-edge profiling
- Wall-mounted concealed storage drawers with touch-latch mechanisms
- Modern swivel bar stools with warm walnut curved shells and brass posts

MODEL REF: BC-S3-HORIZON
