PAINT TEXTURE WALL DESIGN • COLLECTION 2026

GEOMETRIC ORIGAMI 3D RELIEF

CODE: PTW-01

Faceted geometric triangular relief panels finished in fine micro-cement plaster, creating dynamic light and shadow interplay under warm directional architectural spotlights.

- High-definition faceted modular 3D polymer composite panels
- Seamless joint skim-coat plastering for monolithic wall continuity
- Ultra-fine mineral micro-cement matte topcoat resisting surface dust
- Integrated perimeter LED grazing channel accentuating geometric facet depths

DESIGN REF: PTW-01

Faceted Origami Relief • Micro-Cement Finish • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

HERITAGE EXPOSED BRICK TEXTURE

CODE: PTW-02

Authentic reclaimed kiln-fired brick veneer finished with antiqued lime mortar pointing, imparting timeless architectural warmth and urban loft character to living spaces.

- Genuine reclaimed clay brick slips with hand-struck irregular textures
- Breathable hydraulic lime mortar joints preventing moisture entrapment
- Protective matte siloxane sealer guarding against dust shedding and stains
- Warm directional wall washer lighting enhancing natural textural variance

DESIGN REF: PTW-02

Reclaimed Brick Veneer • Antiqued Lime Mortar • Capsule Company

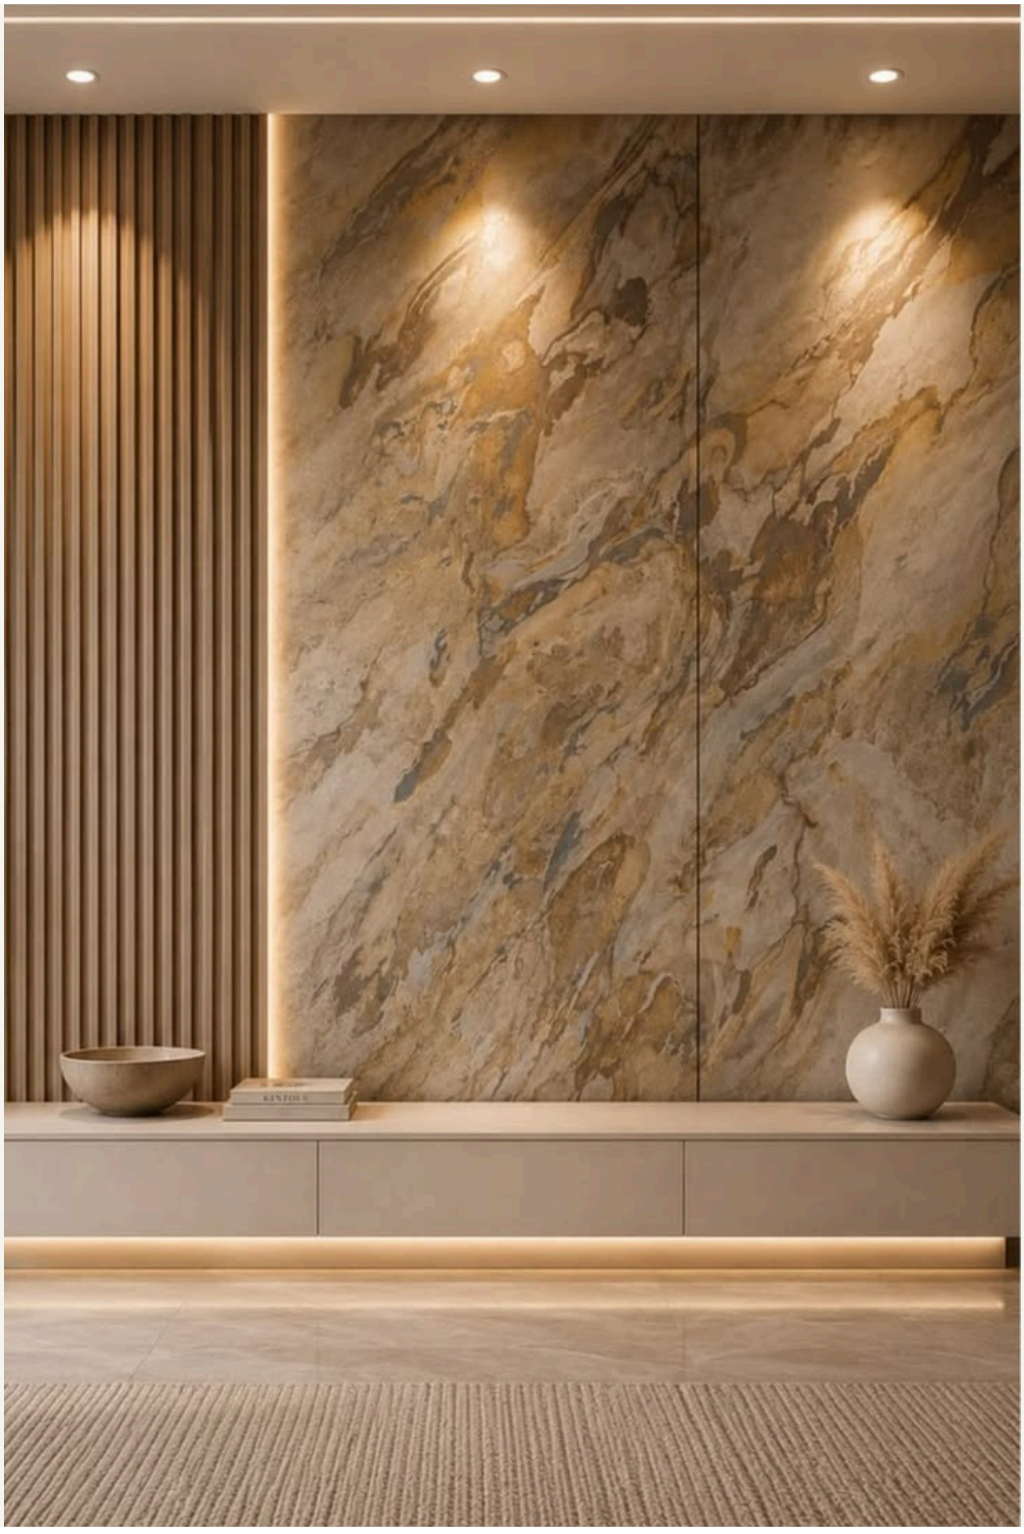

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

TRAVERTINE VEIN STONE TEXTURE

CODE: PTW-03

Hand-troweled Italian travertine stone plaster displaying organic striated fissures and earthy ochre tones, paired seamlessly with vertical natural fluted oak paneling.

- Authentic crushed Carrara marble and slaked lime mineral composition
- Artisanal wet-trowel technique replicating natural sedimentary stone strata
- Zero-VOC natural formulation promoting exceptional indoor environmental air quality
- Micro-porous breathable finish naturally resistant to mildew and bacteria

DESIGN REF: PTW-03

Travertine Plaster • Hand-Troweled Strata • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

INDUSTRIAL BRICK WITH TIMBER SHELVING

CODE: PTW-04

Weathered industrial brick masonry wall integrated with floating solid live-edge timber shelving, creating a balanced organic display wall for books and botanical collections.

- Textured brick surface with rich tonal variations from terracotta to charcoal
- Heavy-duty concealed steel brackets supporting solid timber floating shelves
- Protective clear matte hydrophobic coat preventing surface dusting completely
- Bespoke lighting alignment highlighting architectural masonry depth

DESIGN REF: PTW-04

Industrial Clay Masonry • Solid Timber Shelving • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

DAMASK EMBOSSED FLORAL STUCCO

CODE: PTW-05

Delicate floral motif stenciled in high-build Venetian plaster with subtle metallic bronze accents, infusing traditional Indian luxury into transitional hallways and dining rooms.

- High-build acrylic-lime paste creating crisp 2mm raised floral relief
- Hand-applied metallic mica wax highlights catching ambient light
- Washable and scrub-resistant surface engineered for high-traffic hallways
- Custom color matching compatible with any architectural interior palette

DESIGN REF: PTW-05

Raised Damask Stucco • Metallic Mica Accents • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

ARCHITECTURAL COLOR-BLOCK ARCHES

CODE: PTW-06

Geometric architectural painted arches and linear accents in muted sage, taupe, and alabaster, framing focal furnishings and establishing refined visual zones.

- Precision laser-guided painted color separation lines with zero bleeding
- Ultra-matte low-sheen velvet architectural emulsion finish
- Durable stain-shield formulation resistant to scuffs and household smudges
- Spatial visual zoning technique enlarging perceived room proportions

DESIGN REF: PTW-06

Geometric Color Block • Ultra-Matte Emulsion • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

VERTICAL FLUTED TIMBER ACOUSTIC WALL

CODE: PTW-07

Floor-to-ceiling slender fluted oak panels finished with matte polyurethane sealant, offering sophisticated linear rhythm and superior acoustic reverberation control.

- Precision CNC-machined architectural fluting with consistent 35mm rib spacing
- FSC-certified European white oak veneer on acoustic dampening MDF core
- Concealed tongue-and-groove jointing providing seamless horizontal continuity
- Natural matte polyurethane finish preserving raw wood grain warmth

DESIGN REF: PTW-07

Linear Oak Flutes • Acoustic Reverberation Control • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

TEXTURED HERRINGBONE STUCCO

CODE: PTW-08

Rhythmic herringbone pattern hand-carved into coarse lime stucco plaster, combining classical geometric order with tactile artisanal wall craftsmanship.

- Coarse aggregate mineral stucco paste providing tactile depth and tooth
- Hand-combed geometric herringbone motif created during wet plaster cure
- Non-reflective matte mineral finish diffusing glare across large walls
- Class A1 non-combustible mineral composition for maximum fire safety

DESIGN REF: PTW-08

Hand-Combed Herringbone • Mineral Lime Stucco • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

MONUMENTAL BOTANICAL BAS-RELIEF

CODE: PTW-09

Sweeping oversized tropical palm leaves sculpted in high-relief gypsum plaster, creating a monumental sculptural art statement for master living rooms and penthouse salons.

- Artisanal hand-sculpted organic palm frond relief with up to 50mm dimensional projection
- Warm earth-tone layered patina wash emphasizing leaf veins and contours
- Reinforced fiberglass gypsum substrate ensuring permanent structural stability
- Perimeter recessed warm LED grazing washing across sculptural curves

DESIGN REF: PTW-09

High-Relief Botanical • Hand-Sculpted Gypsum • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

ILLUMINATED BOTANICAL LEAF RELIEF

CODE: PTW-10

Ethereal sculptural leaf relief wall with integrated concealed LED fiber-optic edge illumination that makes the organic botanical forms appear to float away from the wall.

- Concealed indirect halo LED channels integrated behind leaf petal perimeters
- Velvety smooth gypsum plaster finish tinted in warm champagne alabaster
- Dimmable warm 2700K ambient illumination creating evening tranquility
- Custom modular panel installation allowing rapid on-site assembly

DESIGN REF: PTW-10

Halo Edge Lighting • Floating Gypsum Relief • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

COARSE SANDSTONE LIMEWASH PLASTER

CODE: PTW-11

Heavy pitted sandstone lime wash texture created with graded silica sands and slaked lime, providing an authentic rustic Mediterranean exterior-interior fusion.

- Graded coarse silica sand aggregates delivering authentic sandstone grit
- Traditional multi-coat lime wash application creating natural tonal clouds
- Breathable porous surface naturally balancing indoor room humidity
- Durable matte protective wax coat resisting water splash and staining

DESIGN REF: PTW-11

Coarse Silica Grit • Traditional Lime Wash • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

SPLIT-FACE STACKED LEDGE STONE

CODE: PTW-12

Dimensional stacked natural quartzite ledge stone tiles illuminated by recessed downlights, casting dramatic linear shadows across luxury living room seating nooks.

- Genuine split-face natural quartzite stone with crystalline mineral sparkle
- Interlocking Z-shaped stone panels providing seamless grout-free installation
- Recessed ceiling spotlights grazing stone edges for intense textural contrast
- High thermal mass providing natural acoustic absorption and insulation

DESIGN REF: PTW-12

Split-Face Quartzite • Z-Shaped Seamless Panels • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

ORGANIC FEATHER RELIEF DETAIL

CODE: PTW-13

Close-up architectural macro study of sculpted feather plumes finished in soft satin bone-white plaster, showcasing delicate barbule contours and shadow gradation.

- Micro-detailed plaster sculpting capturing realistic plume filament textures
- Satin-sheen mineral protective topcoat highlighting dimensional edges
- Acoustic-absorbing composite substrate minimizing room flutter echoes
- Bespoke architectural sizing tailored to master suite headboard dimensions

DESIGN REF: PTW-13

Micro-Detailed Plume • Satin Bone-White • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

TIMBER SLAT WALL WITH ILLUMINATED SHELVING

CODE: PTW-14

Warm blonde oak architectural slat wall paneling fitted with modular floating display shelves, illuminated by warm integrated undershelf LED strip lights.

- Vertical oak slats backed by sound-absorbing high-density acoustic polyester felt
- Solid hardwood floating shelves with hidden aluminum reinforcement brackets
- Diffused 3000K warm LED strips recessed into precision underside routed channels
- Modular shelf positioning allowing custom arrangement of curated decor

DESIGN REF: PTW-14

Acoustic Slat Backing • Recessed Undershelf LED • Capsule Company

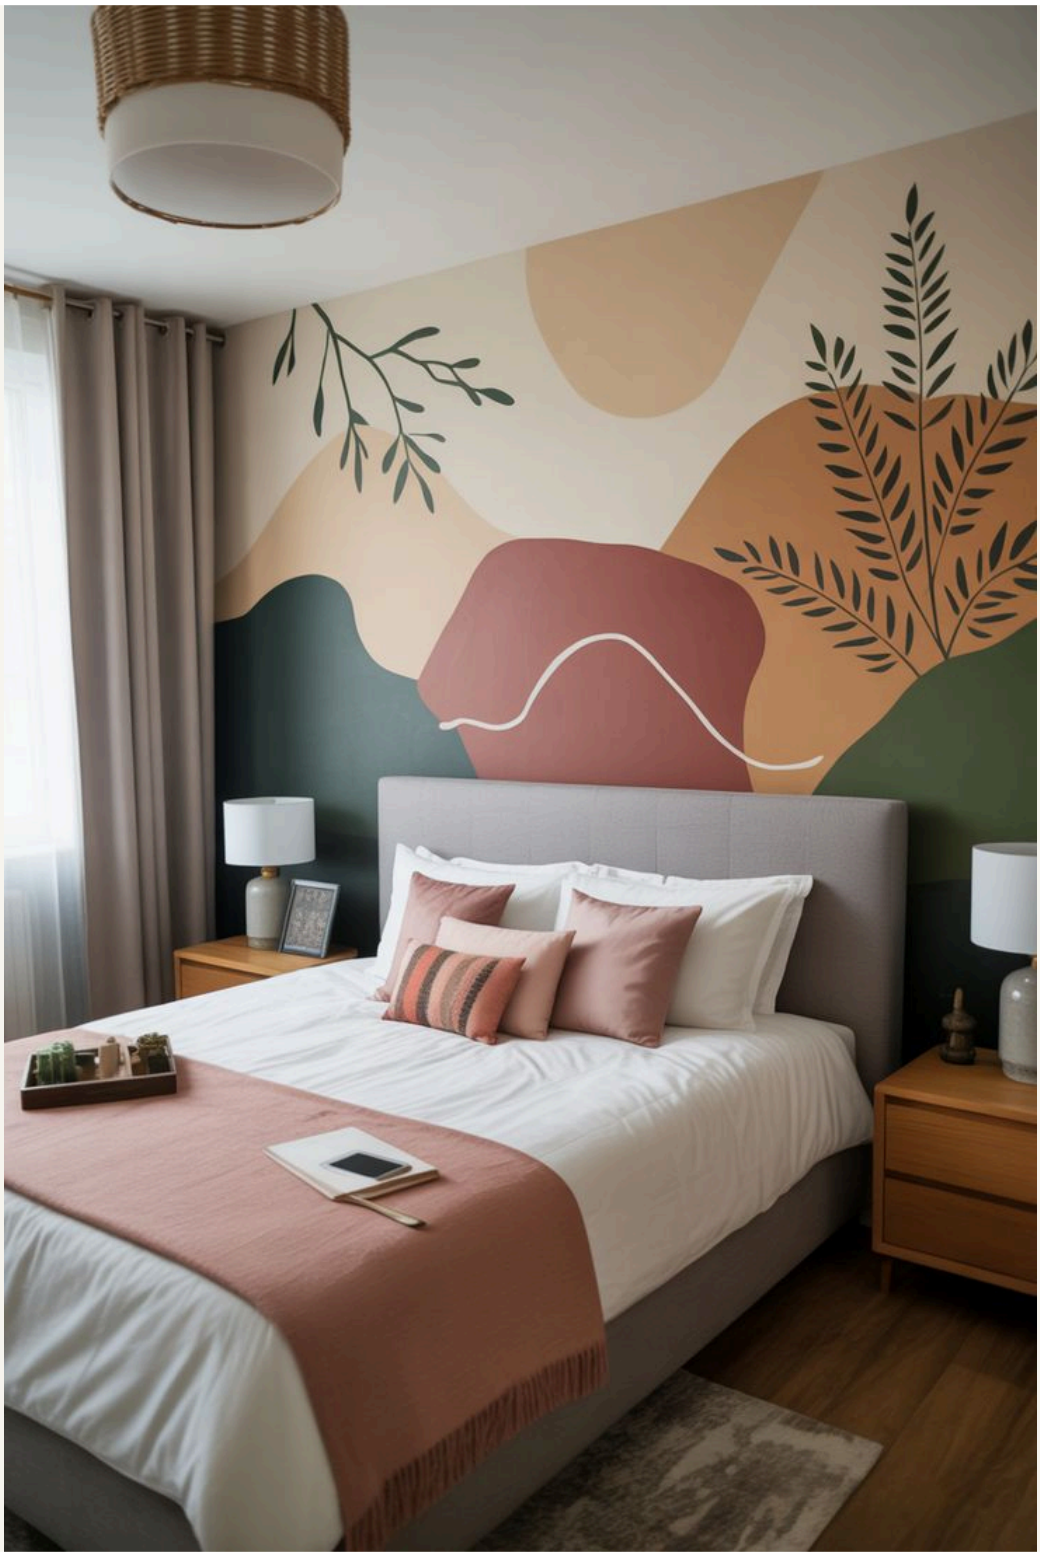

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

TERRACOTTA & SAGE COLOR-BLOCK MURAL

CODE: PTW-15

Playful organic arched color-block wall mural combining earthy terracotta, desert sand, and olive green hues, creating a joyful modern master bedroom focal wall.

- Bespoke hand-painted curved color zones tailored to client bedroom height
- Ultra-flat premium acrylic emulsion with zero light glare or reflection
- Odorless low-chemical formulation safe for immediate bedroom occupancy
- Washable surface coating maintaining vibrant pigment saturation permanently

DESIGN REF: PTW-15

Terracotta & Sage • Hand-Painted Curved Zones • Capsule Company

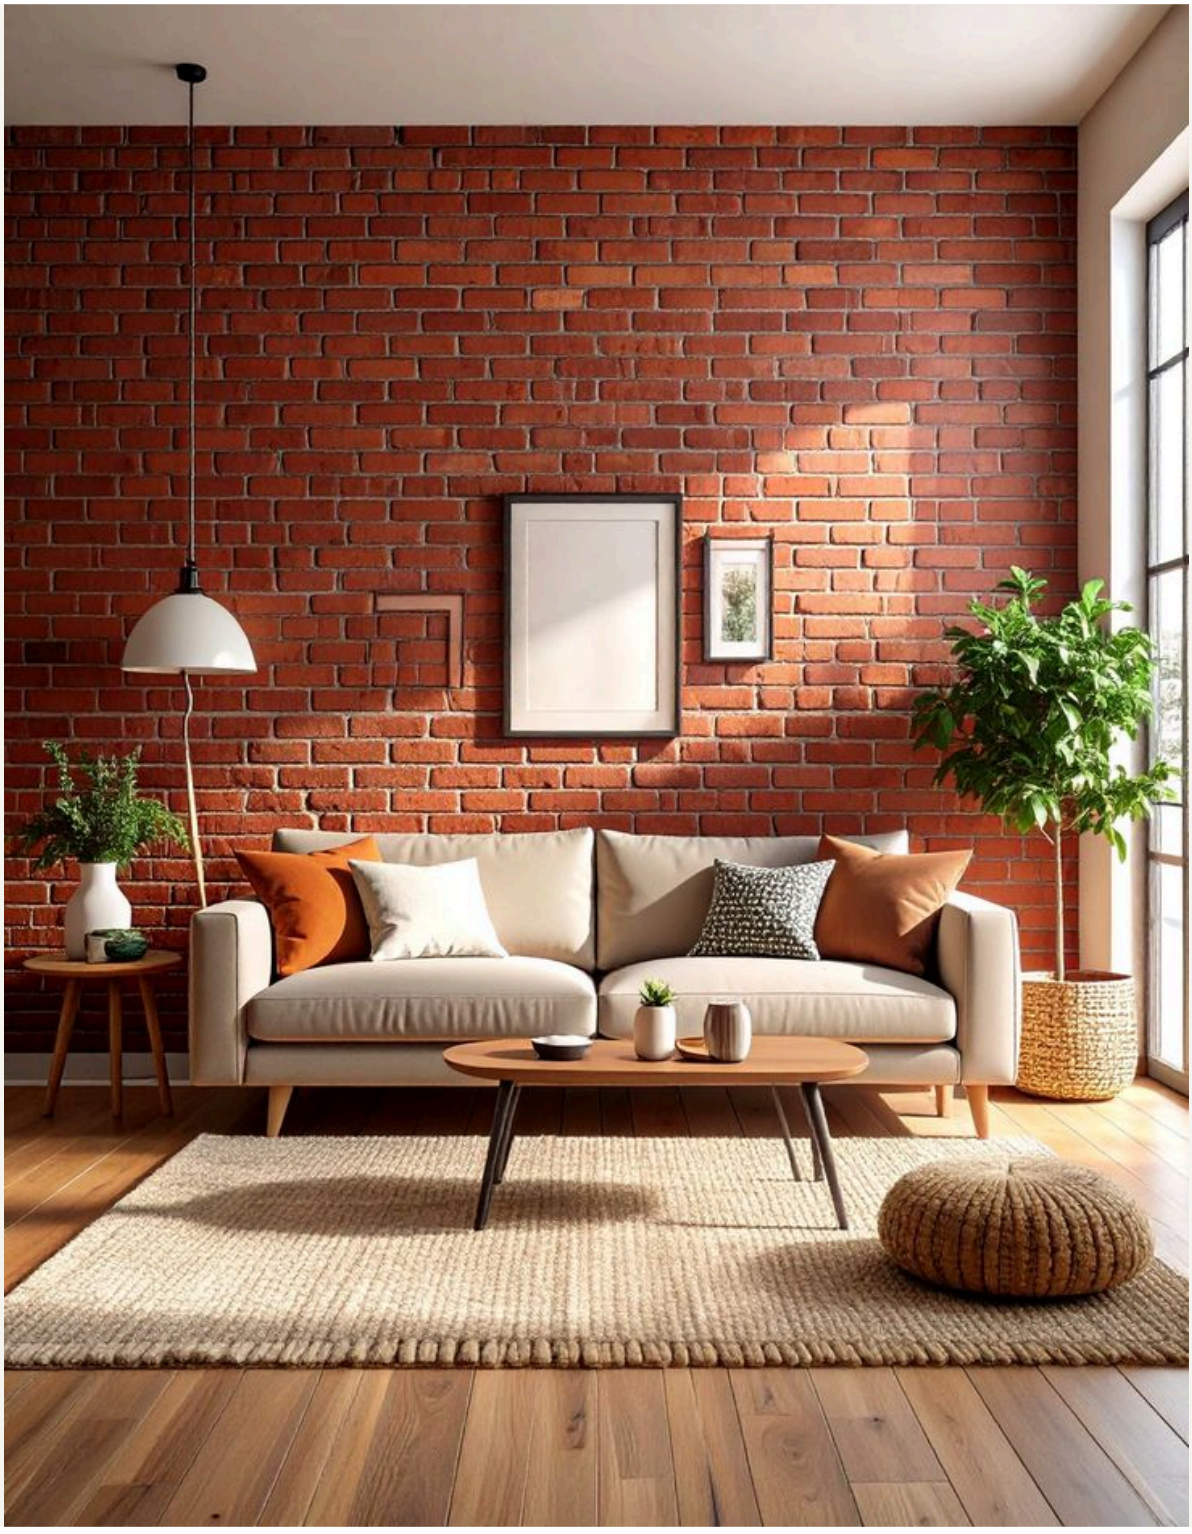

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

CLASSIC RED BRICK MASONRY WALL

CODE: PTW-16

Traditional exposed red clay brick wall bathed in bright natural sunlight, bringing timeless architectural authenticity and warm bohemian character to open living spaces.

- Traditional kiln-baked red clay brick slips with rich natural iron oxide tones
- Recessed raked mortar joints accentuating individual brick dimensions
- Dust-free protective silicone impregnator preserving raw masonry texture
- Complements timber floorboards, leather seating, and lush indoor greenery

DESIGN REF: PTW-16

Kiln-Baked Clay • Raked Mortar Joints • Capsule Company

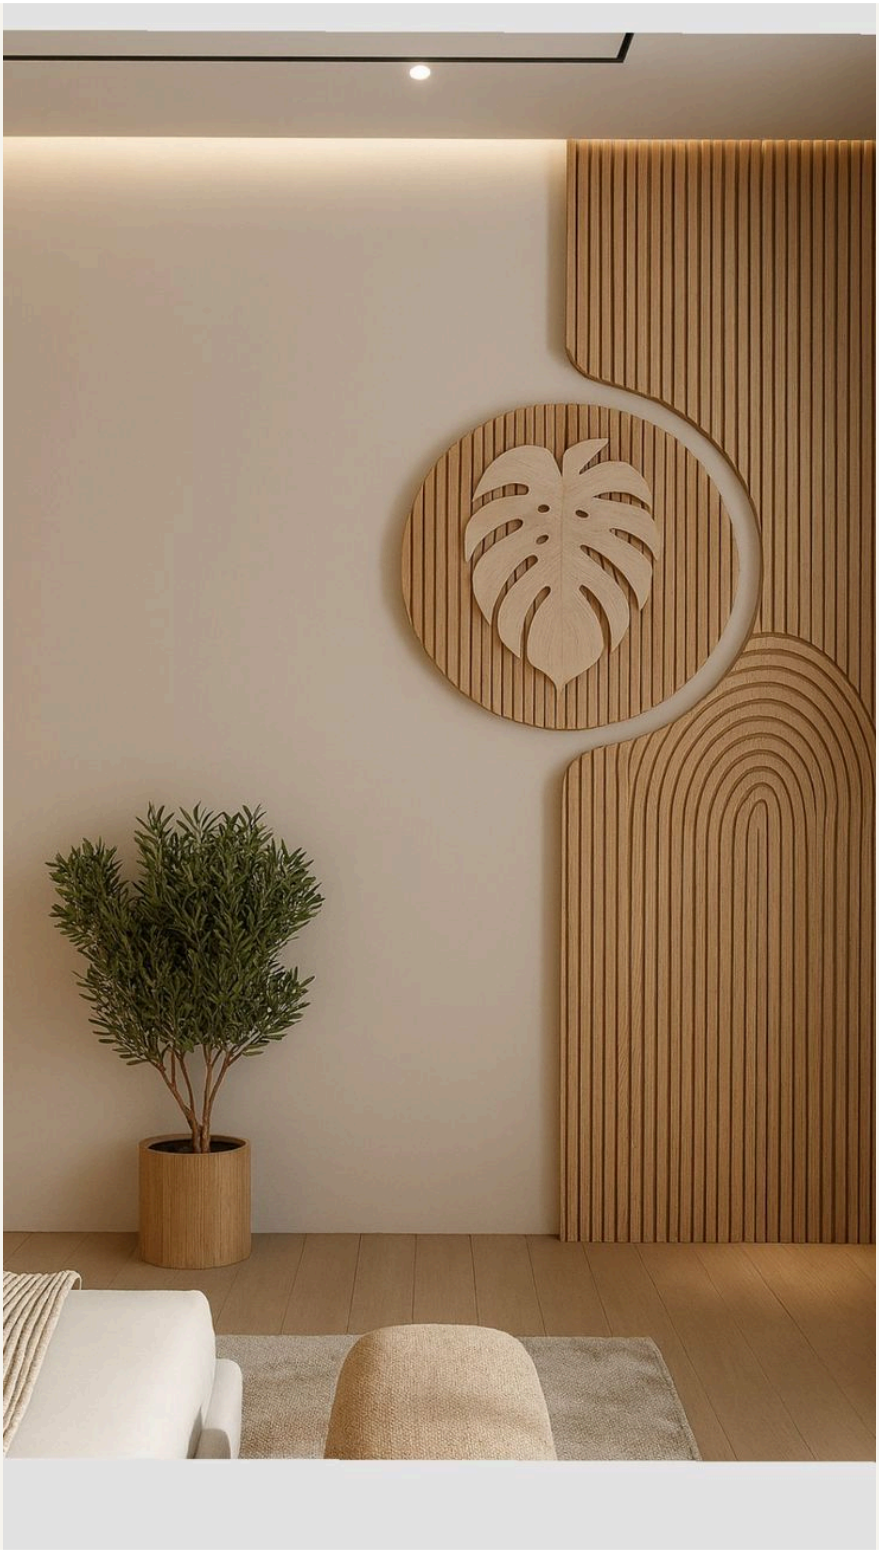

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

MONSTERA WOOD CARVED ACOUSTIC ACCENT

CODE: PTW-17

CNC-routed circular Monstera leaf botanical artwork mounted on vertical fluted acoustic timber backing, creating an organic biophilic art wall.

- Precision CNC-carved solid hardwood circular relief medallion
- Fluted timber background providing acoustic dampening and visual rhythm
- Natural teak oil finish nourishing wood fibers and enriching grain contrast
- Biophilic architectural design proven to enhance wellness and tranquility

DESIGN REF: PTW-17

Monstera CNC Carving • Fluted Acoustic Timber • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

SCULPTURAL FLOATING WAVE PANELS

CODE: PTW-18

Layered overlapping curvilinear wave panels finished in sand-textured plaster, backlit with golden halo ambient lighting that turns the entire wall into an architectural sculpture.

- Multi-layered cantilevered curved plaster forms casting soft undulating shadows
- Integrated warm LED halo channels creating a luminous floating wall illusion
- Tactile fine-sand textured mineral plaster surface finish
- Concealed French cleat mounting enabling clean fastener-free appearance

DESIGN REF: PTW-18

Curvilinear Wave Layers • Golden Halo Lighting • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

TROWELED SILVER METALLIC STUCCO

CODE: PTW-19

Contemporary concrete stucco wall finished with delicate silver metallic wax troweling, reflecting ambient daylight with quiet architectural sophistication.

- Fine micro-cement plaster base hand-troweled for subtle directional texture
- Polished metallic silver and titanium wax sealer creating pearlescent shimmer
- High surface hardness resisting scratches and impact abrasions
- Seamless corner-to-corner application eliminating unsightly panel joints

DESIGN REF: PTW-19

Silver Metallic Wax • Directional Troweled Cement • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

SEPIA BOTANICAL MURAL WALLPAPER

CODE: PTW-20

Atmospheric sepia-toned botanical palm frond wall mural with woven canvas texture, paired with natural cane and teak credenzas for serene tropical minimalism.

- Heavyweight 350 GSM textured vinyl wallcovering on non-woven fabric backing
- Vintage monochrome sepia botanical illustration with soft atmospheric depth
- Scratch-resistant washable surface suitable for dining and living areas
- Precision butt-jointed installation ensuring undetectable vertical seams

DESIGN REF: PTW-20

Sepia Botanical Mural • 350 GSM Textured Vinyl • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

DOUBLE-HEIGHT URBAN CONCRETE & BRICK

CODE: PTW-21

Dramatic double-height industrial loft wall featuring exposed brickwork, raw board-formed concrete pillars, and minimalist architectural steelwork.

- Authentic combination of rugged brick masonry and board-formed concrete texture
- Engineered for grand high-ceiling penthouse and duplex living spaces
- Clear matte anti-efflorescence sealant protecting masonry integrity permanently
- Industrial aesthetic harmonizing with exposed steel beams and dark leather

DESIGN REF: PTW-21

Board-Formed Concrete • Exposed Brick Loft • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

CRYSTALLINE GOLD FEATHER RELIEF

CODE: PTW-22

Luxurious high-relief sculpted plumage wall panels infused with crystalline shimmer and warm amber backlighting, creating an opulent focal wall in master salons.

- Intricately layered feather plumes with crystalline quartz powder infusion
- Concealed warm backlighting illuminating translucent sculpted edges
- Hand-gilded champagne gold leaf accents on selected prominent quill stems
- Reinforced stone composite core ensuring lifelong dimensional durability

DESIGN REF: PTW-22

Quartz Crystal Infusion • Champagne Gold Leaf • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

MINIMALIST GREIGE GEOMETRIC BLOCK

CODE: PTW-23

Architectural two-tone greige color block wall illuminated by up-and-down sconces, creating refined light zones and understated contemporary luxury.

- Custom blended warm grey-beige mineral pigment formulation
- Dual-directional architectural wall sconces creating dramatic light cones
- Zero-sheen dead flat finish eliminating unwanted lamp glare completely
- Durable scuff-resistant paint technology maintaining pristine perfection

DESIGN REF: PTW-23

Architectural Greige • Up-Down Light Cones • Capsule Company

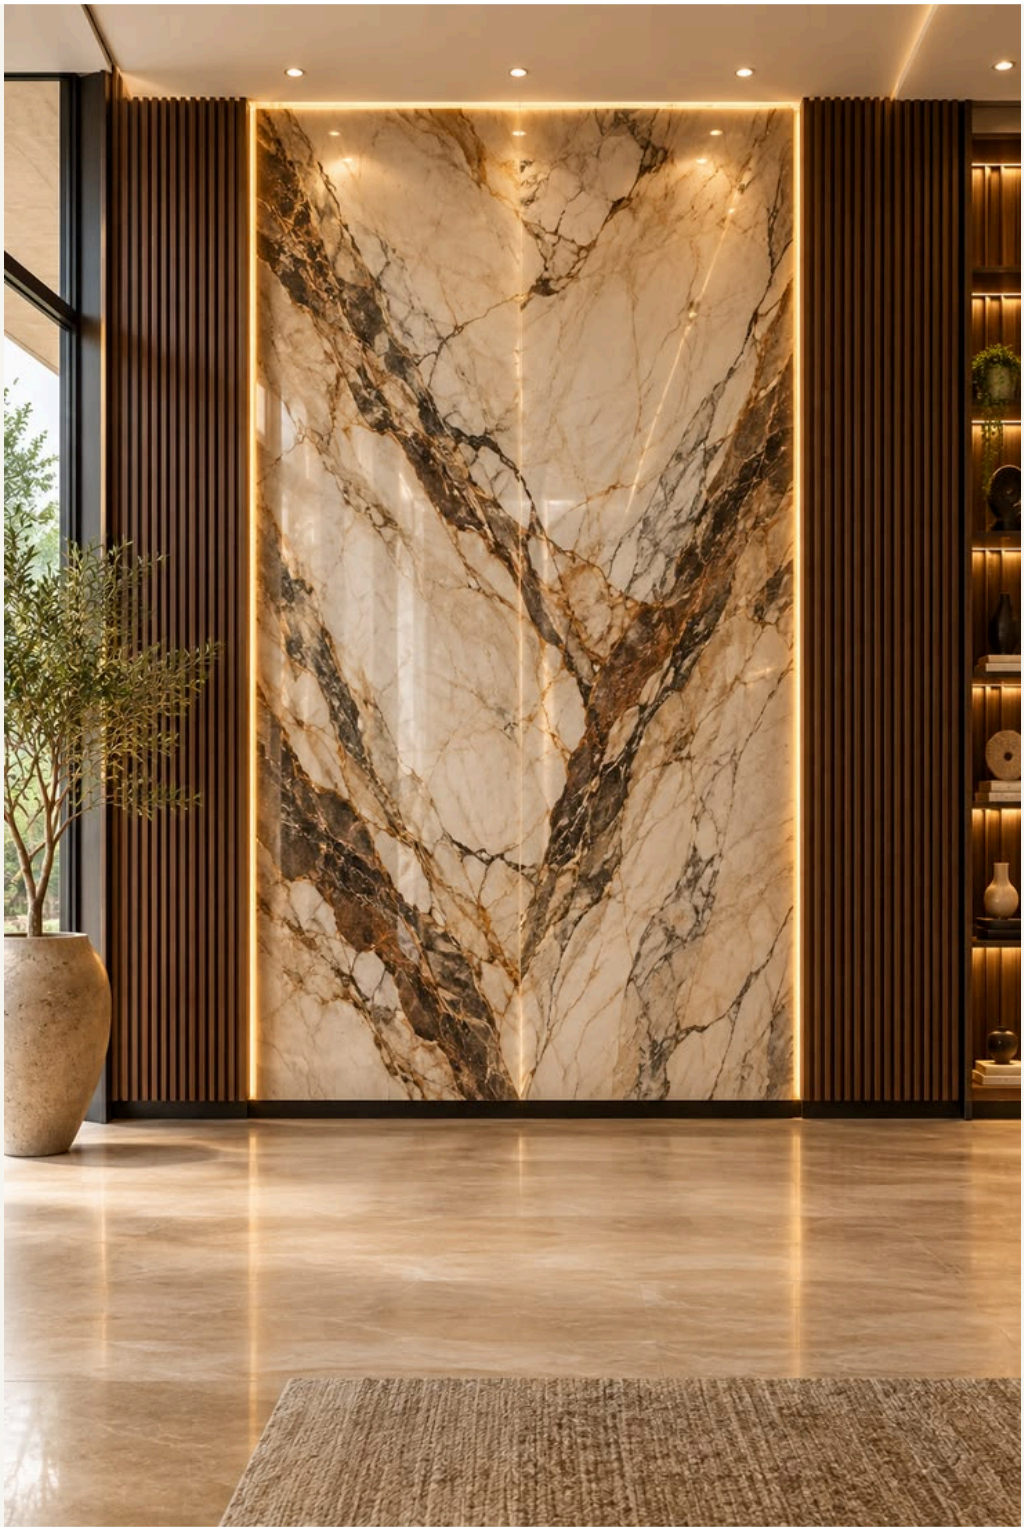

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

PATAGONIA ONYX BACKLIT MARBLE SLAB

CODE: PTW-24

Translucent Patagonia quartzite and onyx slab feature wall with diffused rear LED illumination, framed by dark espresso fluted timber paneling.

- Genuine 20mm bookmatched translucent Patagonia quartzite stone slab
- Integrated LED matrix panel with high CRI 95+ uniform diffused illumination
- Fluted dark oak side pilasters providing sophisticated architectural contrast
- Smart dimming controller allowing seamless ambient mood transitions

DESIGN REF: PTW-24

Patagonia Quartzite • Backlit LED Matrix • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

BOOKMATCHED CALACATTA GOLD WALL

CODE: PTW-25

Mirrored bookmatched Italian Calacatta gold marble vitrified slabs spanning floor to ceiling in a grand double-height luxury villa living room.

- Symmetrical butterfly bookmatch layout aligning natural golden veins flawlessly
- Continuous large-format slabs minimizing joint visibility across tall walls
- High-gloss polished diamond finish reflecting chandeliers and natural daylight
- Stain-proof non-porous vitrified composition requiring zero annual sealing

DESIGN REF: PTW-25

Butterfly Bookmatch • Calacatta Gold Veining • Capsule Company

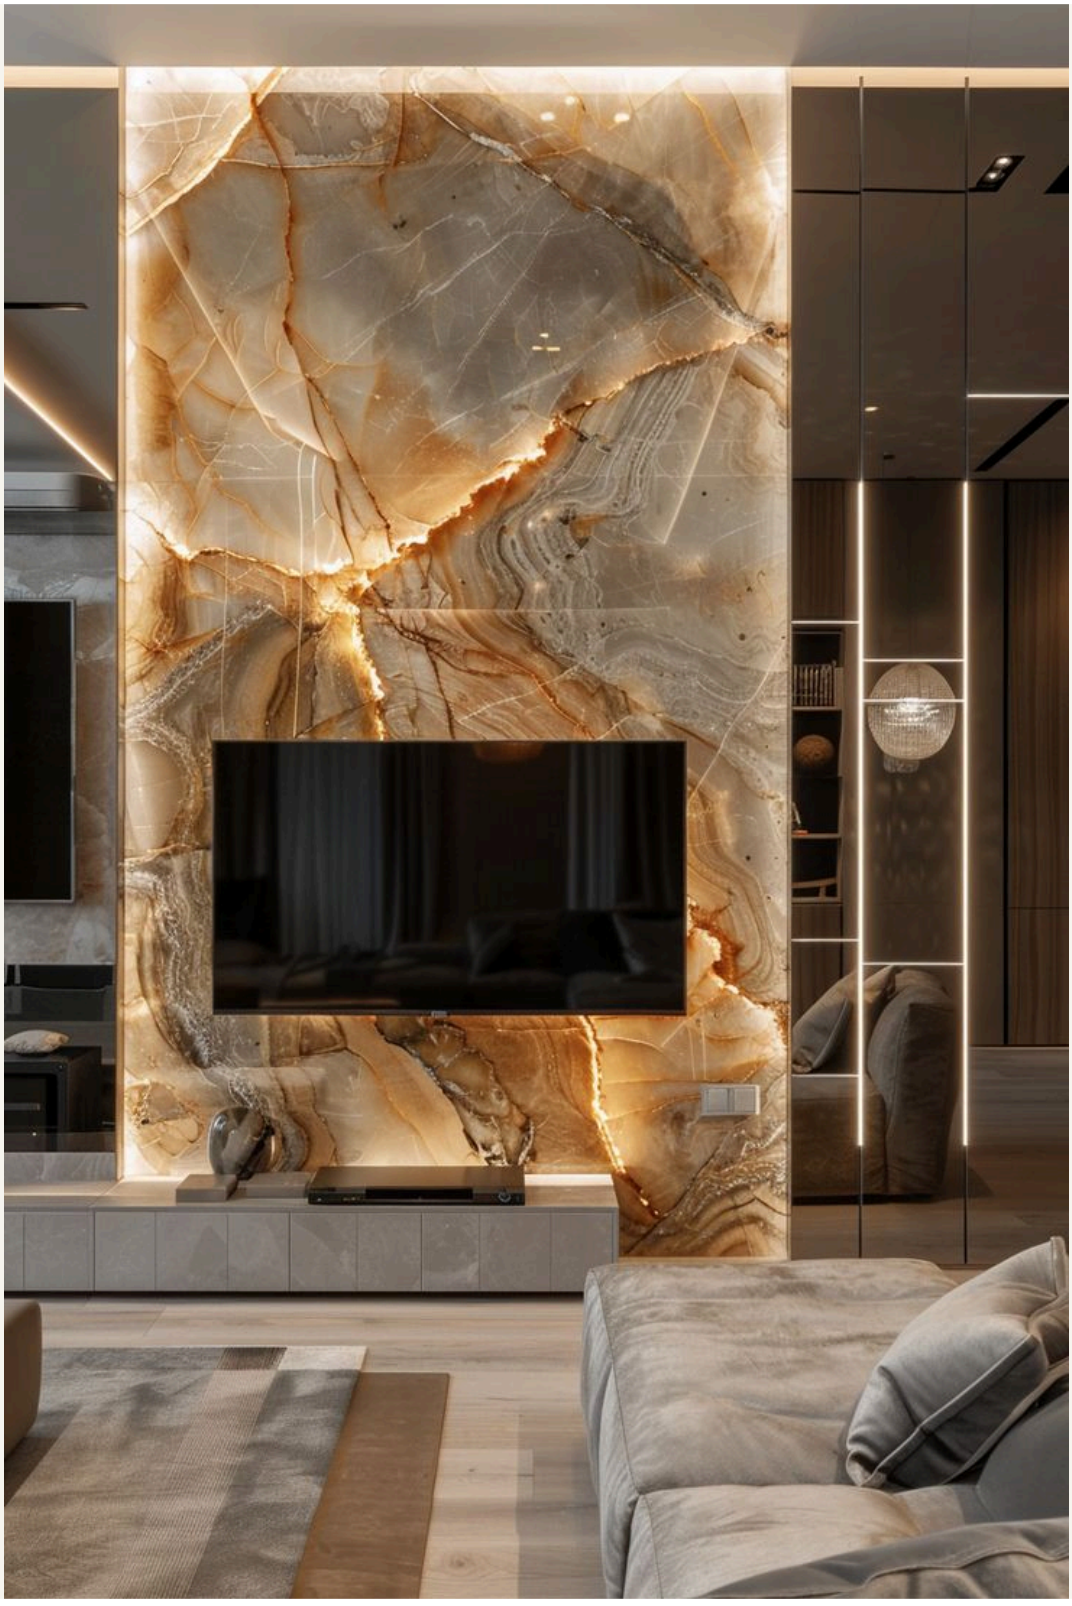

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

BACKLIT QUARTZ ENTERTAINMENT WALL

CODE: PTW-26

Illuminated golden quartz rock crystal feature wall framing an integrated media TV panel, turning home entertainment into a five-star sensory experience.

- Translucent natural golden quartz crystal slab with organic fissures
- Rear edge-lit LED diffuser panel delivering glowing stone warmth
- Concealed cable raceways and recessed media console mounting system
- Flanked by vertical acoustic slatted columns for balanced audio clarity

DESIGN REF: PTW-26

Glowing Quartz Crystal • Integrated Media Wall • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

WATERCOLOR BOTANICAL WALL MURAL

CODE: PTW-27

Soft ethereal watercolor floral wall mural in gentle taupe and cream tones, creating a tranquil, dreamlike backdrop in contemporary master seating suites.

- High-resolution fine art digital print replicating delicate watercolor brushwork
- Linen-textured matte vinyl substrate with tactile woven surface feel
- Tear-proof and moisture-resistant composition ideal for air-conditioned suites
- Custom scaled to fit wall dimensions without awkward floral cropping

DESIGN REF: PTW-27

Watercolor Brushwork • Linen-Textured Vinyl • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

CIRCULAR DISPLAY SLAT WALL (WARM AMBER)

CODE: PTW-28

Vertical oak slats flanked by circular niche recesses and illuminated floating display shelves, combining geometric wall art with functional plant displays.

- Twin circular geometric backplate panels with brushed bronze trim
- Integrated vertical warm LED accent strips grazing acoustic flutes
- Concealed floating cantilevered display shelves for ceramic planters
- High-density MDF core wrapped in natural European oak veneer

DESIGN REF: PTW-28

Circular Niche Accents • Fluted Timber LED • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

ILLUMINATED BOTANICAL SLAT ARCHIVE

CODE: PTW-29

Architectural fluted wood and circular display system engineered for curated gallery displays, bringing warm ambient luxury to residential entrance galleries.

- Precision slatted acoustic wooden screen with integrated ambient cove lighting
- Curved circular accent panels providing architectural counterpoint to vertical slats
- Commercial-grade scratch-resistant polyurethane finish protecting display tiers
- Quick modular wall bracket system allowing secure seismic-safe wall anchorage

DESIGN REF: PTW-29

Curved Display Counterpoint • Studio Archive Edition • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

SCULPTED FLORAL STUCCO WALL

CODE: PTW-30

Delicate floral botanical silhouettes carved into pure white plaster, offering subtle dimensional texture that harmonizes with Scandinavian and coastal furnishings.

- Hand-troweled low-relief botanical vine pattern in mineral white stucco
- Monochrome white-on-white texture providing tactile interest without color clash
- Breathable slaked lime formulation resisting moisture and cracking
- Soft daylight diffusion across textured surfaces enhancing peaceful ambiance

DESIGN REF: PTW-30

White-on-White Relief • Mineral White Stucco • Capsule Company

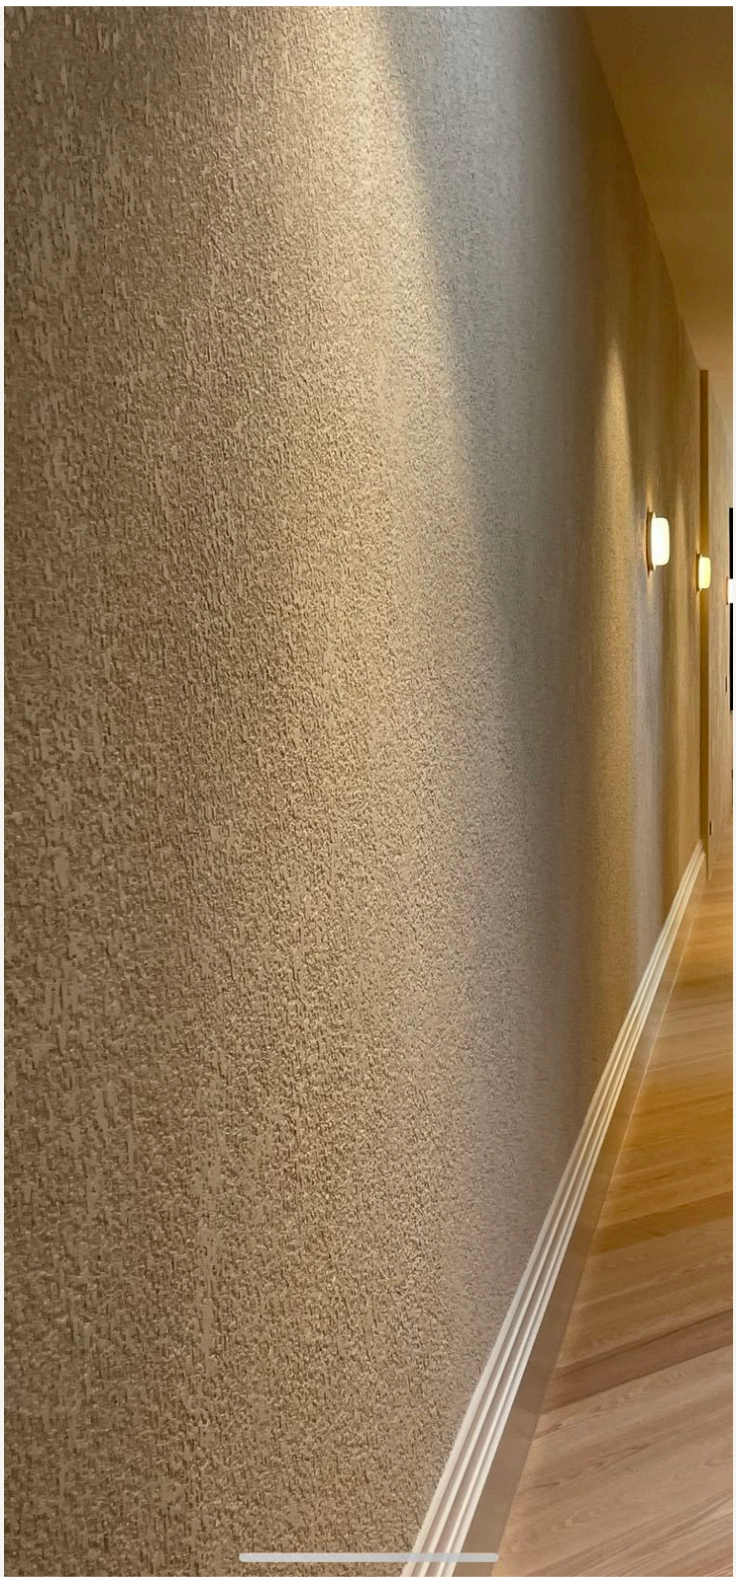

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

METALLIC GOLD SPECKLED STUCCO

CODE: PTW-31

Granular coarse plaster infused with reflective bronze and gold flakes, grazing under ceiling spotlights to create a shimmering royal hallway colonnade.

- Graded coarse stone aggregates infused with genuine metallic mica flakes
- Dramatic light-catching properties under angled halogen and LED spotlights
- High surface durability resisting abrasion in busy entrance corridors
- Sealed with clear protective matte glaze preventing glitter shedding

DESIGN REF: PTW-31

Gold Mica Flecks • Coarse Stone Aggregate • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

TROPICAL BIRD OF PARADISE MURAL

CODE: PTW-32

Vibrant hand-painted watercolor tropical mural depicting exotic bird of paradise flowers and lush banana foliage, infusing fresh coastal vitality into master suites.

- Artisanal watercolor illustration with luminous translucent color washes
- High-tensile non-woven canvas wallcovering resistant to stretching
- Eco-friendly water-based pigments certified free from toxic heavy metals
- Moisture-resistant surface suitable for master vanity and bedroom zones

DESIGN REF: PTW-32

Bird of Paradise • Water-Based Translucent Pigments • Capsule Company

PAINT TEXTURE WALL DESIGN • COLLECTION 2026

PASTEL BOTANICAL SILK BEDROOM WALL

CODE: PTW-33

Gentle champagne and blush leaf silhouettes rendered in a soft silk texture mural, creating an exceptionally soothing sanctuary behind upholstered master bedframes.

- Soft-sheen faux silk textured vinyl wallcovering on acoustic backing
- Muted pastel neutral palette fostering calm restorative sleep environments
- Seamless matching across large bedroom headboard accent walls
- Easy wipe-clean surface resistant to headboard friction and dust

DESIGN REF: PTW-33

Pastel Leaf Silhouettes • Faux Silk Texture • Capsule Company
