VINYL FLOORING DESIGN • COLLECTION 2026

MODULEO LUXURY VINYL TILE

CODE: VFL-01

Embossed-in-register luxury vinyl tile capturing authentic natural wood grain texture with high-performance acoustic dampening for premium residential residences.

- Embossed-in-register (EIR) surface texture synchronizing visual grain and tactile depth
- Multi-layer virgin PVC construction with 0.55mm heavy commercial wear layer
- Integrated acoustic backing layer reducing footfall transmission sound by up to 18dB
- 100% waterproof construction ideal for luxury kitchens, living zones, and bathrooms

DESIGN REF: VFL-01

Authentic EIR Woodgrain • Heavy Commercial Wear • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

LINDE NATURAL OAK SPC

CODE: VFL-02

Ultra-dense rigid core limestone composite flooring in serene Linde blonde oak, providing exceptional dimensional stability and underfoot comfort in modern master bedrooms.

- High-density limestone composite (SPC) core resistant to direct sunlight and thermal changes
- Precision click-lock profiling for floating installation without chemical glues
- Scratch-resistant UV ceramic bead finish resisting high heels and pet claws
- Hypoallergenic zero-formaldehyde composition certified for clean indoor air

DESIGN REF: VFL-02

Rigid Core SPC • Precision Click-Lock • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

CARRARA POLISHED MARBLE LVT

CODE: VFL-03

High-gloss Italian Carrara marble aesthetic rendered in lightweight flexible luxury vinyl, delivering cold-stone luxury without chilly underfoot sensations or brittle tile grout.

- Ultra-high definition digital stone printing capturing natural Carrara grey veining
- High-gloss polyurethane top layer creating a brilliant polished marble appearance
- Zero-grout seamless edge-to-edge adhesion preventing mold and moisture buildup
- Soft and forgiving underfoot feel compared to traditional brittle ceramic or marble

DESIGN REF: VFL-03

Carrara Marble Aesthetic • High-Gloss Polyurethane • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

ARCHITECTURAL OAK WIDE PLANK

CODE: VFL-04

Extra-wide luxury vinyl planks designed for expansive luxury apartments and open-plan living rooms, balancing contemporary refinement with daily resilience.

- Generous 220mm wide plank format accentuating spacious architectural room proportions
- Micro-beveled edge perimeter defining individual plank contours subtly
- Commercial-grade polyurethane wear layer resistant to heavy daily foot traffic
- 100% waterproof core safe against spills, liquid accidents, and damp mopping

DESIGN REF: VFL-04

Wide Plank Architecture • Micro-Beveled Edge • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

OCEAN BLUE VEINED MARBLE LVT

CODE: VFL-05

Exotic oceanic lapis veined stone graphics engineered into high-durability luxury vinyl tile, creating a breathless statement floor in luxury entry foyers and powder suites.

- Dramatic lapis blue and gold oceanic river veining pattern with deep visual translucency
- Super-durable multi-ply construction engineered for heavy luxury commercial spaces
- Stain-proof ceramic shield coating impervious to oils, wines, and acidic spills
- Warm and sound-insulating underfoot dynamics unlike cold solid porcelain

DESIGN REF: VFL-05

Oceanic Blue Vein • Ceramic Shield Coating • Capsule Company

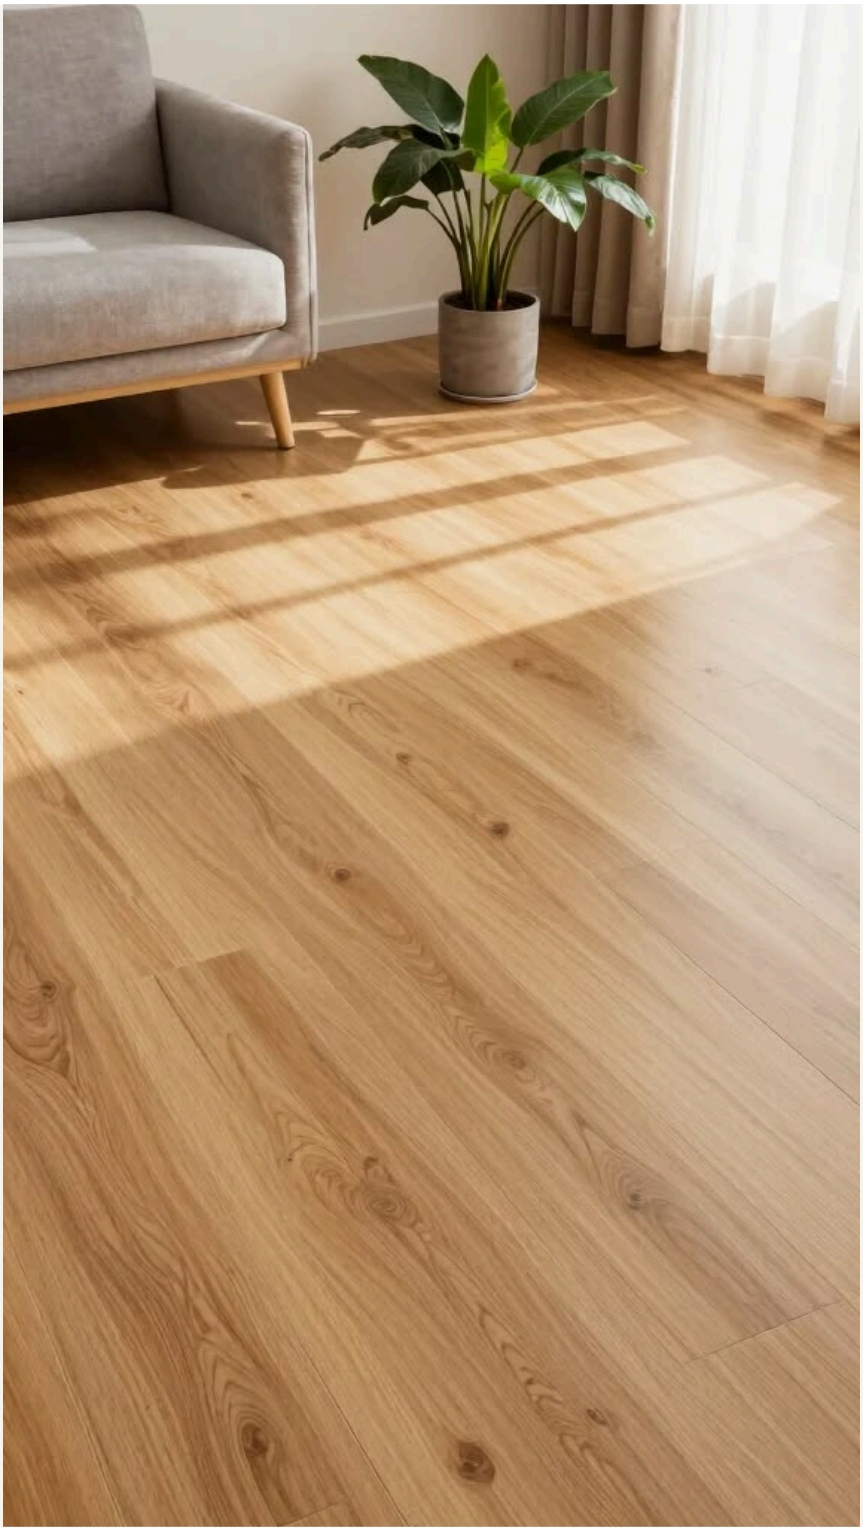

VINYL FLOORING DESIGN • COLLECTION 2026

ECO-ELEGANCE RIGID SPC

CODE: VFL-06

Eco-conscious stone plastic composite flooring crafted with recycled minerals and sustainably harvested components, offering refined organic elegance for holistic living.

- Sustainably engineered core utilizing 70% natural limestone and eco polymers
- Built-in 1.5mm high-density IXPE foam underlayment for superior acoustic performance
- Drop-lock click jointing enabling rapid, clean, dust-free residential installation
- Antibacterial surface treatment inhibiting microbial and bacterial growth

DESIGN REF: VFL-06

Eco Limestone Core • Integrated IXPE Acoustic Foam • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

RETRO GEOMETRIC INLAY VINYL

CODE: VFL-07

Mid-century architectural graphic pattern vinyl flooring featuring geometric contrasting shapes that revitalizes creative studios, kitchens, and boutique galleries.

- Graphic mid-century modern geometric repeat pattern with flawless joint registration
- Seamless welded sheet application preventing dirt accumulation in grout crevices
- Slip-resistant R10 textured finish providing steady traction in wet and dry conditions
- UV-stabilized pigment formulation preventing color fading under large picture windows

DESIGN REF: VFL-07

Mid-Century Graphic • Seamless Welded Sheet • Capsule Company

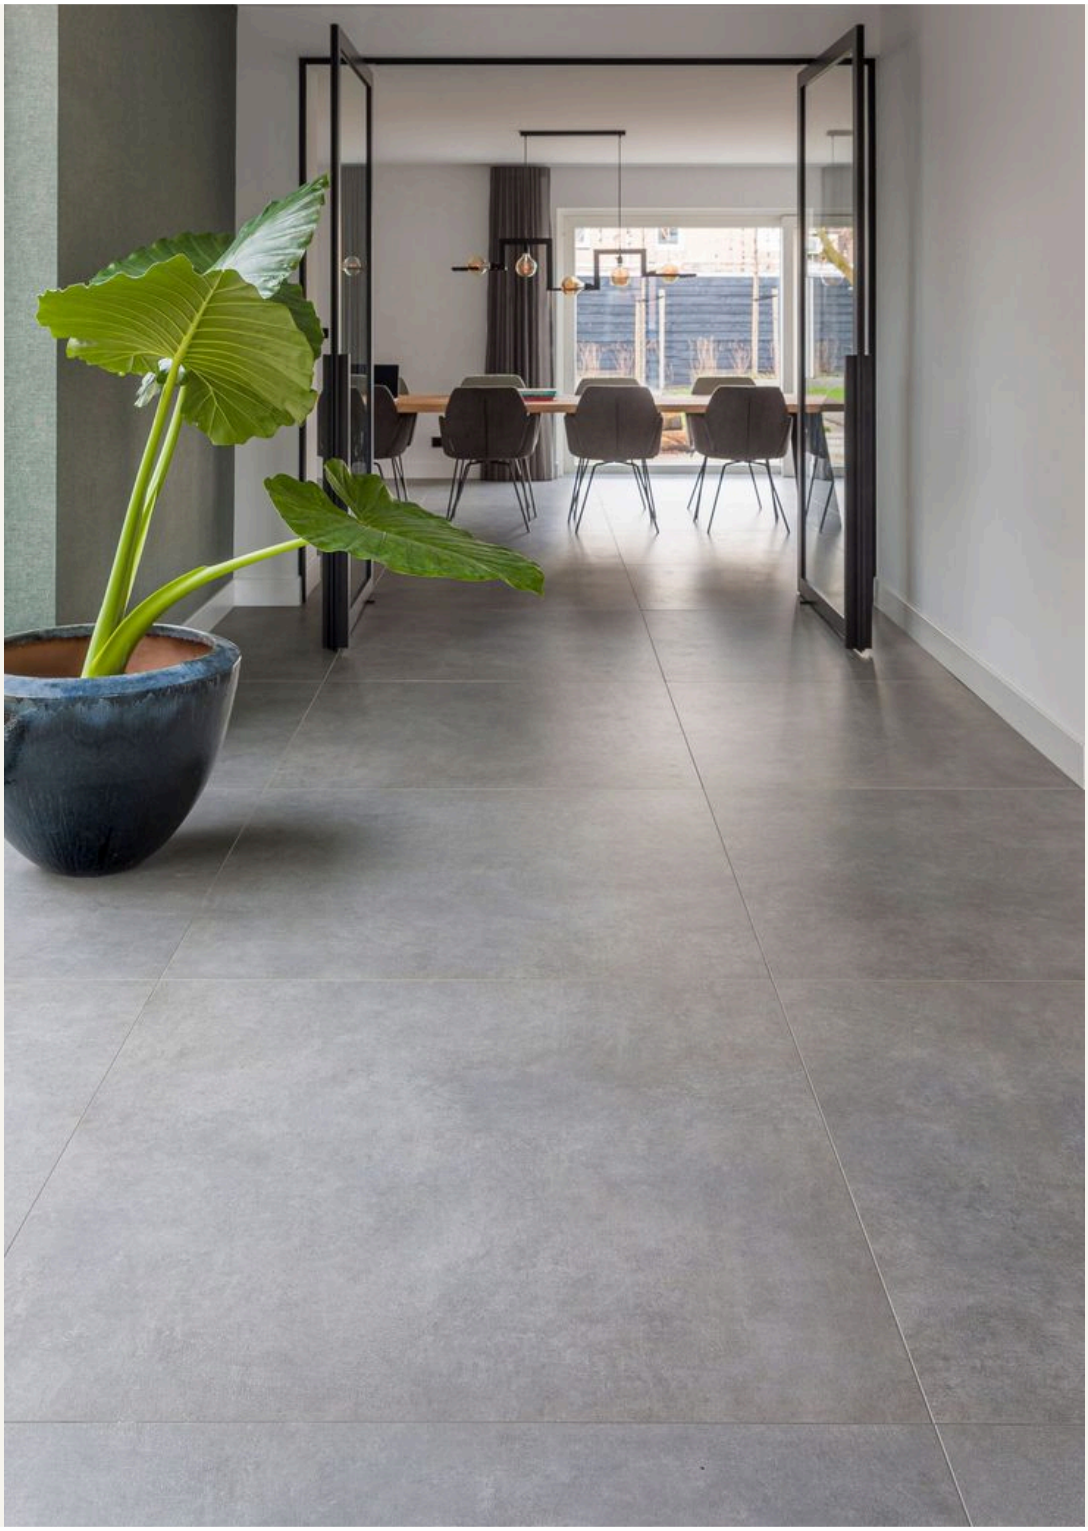

VINYL FLOORING DESIGN • COLLECTION 2026

NORDIC ASH RIGID SPC

CODE: VFL-08

Muted pale ash tone vinyl planks featuring linear Scandinavian graining that maximizes natural daylight reflection across minimalist modern interior designs.

- Pale Scandinavian ash aesthetic with light-scattering matte urethane finish
- Rigid core profile bridging slight subfloor imperfections without telegraphing
- Waterproof construction unaffected by bathroom steam and kitchen humidity
- Heavy-duty 20 mil commercial wear layer ensuring decades of enduring beauty

DESIGN REF: VFL-08

Nordic Pale Ash • Matte Urethane • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

CHARCOAL SLATE ARCHITECTURAL TILE

CODE: VFL-09

Deep textured charcoal slate aesthetic luxury vinyl tiles providing a moody, grounding architectural foundation for luxury penthouse living rooms and home bars.

- Tactile cleft slate surface texture capturing authentic split-stone character
- Large 600×600mm format creating dramatic, expansive monolithic floor expanses
- Warm underfoot thermal retention paired with high thermal conductivity over underfloor heating
- Resistant to cracking, chipping, or shattering upon impact with dropped heavy objects

DESIGN REF: VFL-09

Charcoal Cleft Slate • 600×600mm Large Format • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

HONEY WHEAT EMBOSSED OAK

CODE: VFL-10

Warm golden honey oak luxury vinyl planks bringing timeless warmth and cozy organic texture to bedrooms, family dens, and master dressing suites.

- Golden amber wood tone with natural cathedral graining and subtle knot detailing
- Dual fiberglass stabilization layers preventing expansion, buckling, and warping
- Soft and resilient walking comfort easing joint fatigue during long standing hours
- Low-VOC certified product creating a pure and healthy home atmosphere

DESIGN REF: VFL-10

Golden Amber Grain • Dual Fiberglass Core • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

SMOKED GREY TIMBER SPC

CODE: VFL-11

Contemporary cool grey oak vinyl flooring with wire-brushed texture that perfectly complements monochrome minimalism and concrete interior elements.

- Sophisticated weathered grey tone infused with gentle silver wood grain streaks
- Ultra-dense stone polymer composite core impervious to temperature swings
- Patented Uniclic locking system providing airtight joint strength
- Pre-attached IXPE acoustic backing eliminating the need for messy separate underlays

DESIGN REF: VFL-11

Weathered Grey Tone • Uniclic Precision Joint • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

STATUARIO GOLD MARBLE VINYL

CODE: VFL-12

Pure crystalline white marble vinyl tile infused with warm golden ochre veins, recreating Italian palazzo luxury with effortless maintenance and warm walking comfort.

- Hyper-realistic Statuario marble pattern with multi-face non-repeating tile variations
- High-gloss ceramic micro-coat resisting scuffs, abrasions, and rubber sole marks
- Ideal for moisture-prone luxury bathrooms, master vanity areas, and dining spaces
- Impact absorbing resilient core preventing tile cracks and dropped dishware damage

DESIGN REF: VFL-12

Statuario Gold Veins • Non-Repeating Faces • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

FRENCH CHEVRON PARQUET VINYL

CODE: VFL-13

Classic Parisian 45-degree angle chevron pattern vinyl planks bringing aristocratic geometric symmetry and refined European luxury to modern open-plan residences.

- Engineered angled chevron ends for precise symmetrical herringbone installations
- Four-sided micro-bevel accents showcasing the rhythmic chevron directional flow
- Heavy commercial wear rating suitable for luxury boutiques, hotels, and villas
- 100% moisture immunity preventing the seasonal gaps common in solid wood chevron

DESIGN REF: VFL-13

Parisian 45° Chevron • Micro-Bevel Contour • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

METROPOLITAN CONCRETE FINISH

CODE: VFL-14

Industrial poured concrete effect luxury vinyl tile delivering raw brutalist elegance without dust, curing delays, or uncomfortable underfoot hardness.

- Polished screed concrete visual with subtle tonal shifts and aggregate speckles
- Large modular tile format delivering seamless contemporary loft aesthetic
- Warm and quiet underfoot compared to cold poured cement or stone slabs
- Zero maintenance requirement; completely immune to oil stains and grease

DESIGN REF: VFL-14

Polished Screed Concrete • Industrial Loft Aesthetic • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

BLACK STAR VICTORIAN VINYL TILE

CODE: VFL-15

Classic black star and diamond geometric patterned vinyl tiles that infuse artisanal heritage charm into entry foyers, powder rooms, and transitional hallways.

- Crisp high-contrast black and alabaster geometric star tessellation design
- Peel-and-stick or glue-down precision installation with razor-tight seams
- Waterproof and mold-resistant surface engineered for high-humidity wet zones
- Heavy-duty clear vinyl wear layer preserving pattern sharpness against abrasive dust

DESIGN REF: VFL-15

Victorian Star Tessellation • High-Contrast Design • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

SEAMLESS ARCHITECTURAL RESIN LOOK

CODE: VFL-16

Monolithic seamless micro-resin aesthetic vinyl flooring creating continuous fluid floor planes that visually unify sprawling contemporary penthouse spaces.

- Continuous micro-cement resin visual flow without visible grid distractions
- Sound absorption rating reducing ambient echoing in open high-ceiling interiors
- Matte satin protective sealant resisting fingerprint smudges and glare
- Commercial fire-retardant Bfl-s1 certified for complete architectural safety

DESIGN REF: VFL-16

Monolithic Resin Flow • Ambient Sound Absorption • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

BRAZILIAN WALNUT RICH PLANK

CODE: VFL-17

Deep espresso and chocolate-toned exotic hardwood look vinyl planks delivering rich dramatic elegance to formal dining suites and master executive lounges.

- Exotic Brazilian walnut graining with deep tonal richness and organic striations
- Extra-thick commercial wear layer rated for high-heeled traffic and heavy furnishings
- Superior dimensional stability in tropical humidity without wood cup or curl
- UV-inhibited surface preserving deep chocolate luster against window glare

DESIGN REF: VFL-17

Exotic Brazilian Walnut • Espresso Tonal Depth • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

HERRINGBONE RIGID SPC AE 29

CODE: VFL-18

Artisanal herringbone stone plastic composite planks arranged in rhythmic classical 90-degree interlocking geometry, infusing bedrooms with timeless elegance.

- Left and right interlocking precision tongues for true herringbone pattern layout
- Ultra-compact limestone rigid core with zero susceptibility to thermal expansion
- Acoustic IXPE underlay pre-bonded to each plank for whisper-quiet room acoustics
- Easy wipe-clean surface resistant to pet stains, water glasses, and spills

DESIGN REF: VFL-18

Classical Herringbone • Interlocking Rigid Core • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

CALACATTA GOLD ROYAL MARBLE

CODE: VFL-19

Regal Calacatta Gold marble visual vinyl tiles displaying warm honey-gold and charcoal veining that imparts five-star hotel grandeur to master bathrooms and living areas.

- Luminous Calacatta gold veining printed with state-of-the-art multi-pass precision
- Smooth satin gloss finish offering the beauty of polished stone with anti-slip security
- Resistant to thermal shocks, bathroom spills, and beauty cosmetics staining
- Lightweight composition suitable for high-rise condos without structural deadweight

DESIGN REF: VFL-19

Calacatta Gold • Multi-Pass High Definition • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

FLUSH TRANSITION SEAMLESS SPC

CODE: VFL-20

Precision-engineered transition flooring system enabling seamless flush joins between different room zones, creating uninterrupted barrier-free modern layouts.

- Engineered flush transition profiles eliminating clunky raised threshold strips
- Ultra-rigid limestone core maintaining plane alignment across expansive doorways
- High indentation resistance standing up to concentrated furniture leg pressures
- Universal compatibility with underfloor radiant heating mats up to 27°C

DESIGN REF: VFL-20

Flush Barrier-Free Transition • High Indentation Strength • Capsule Company

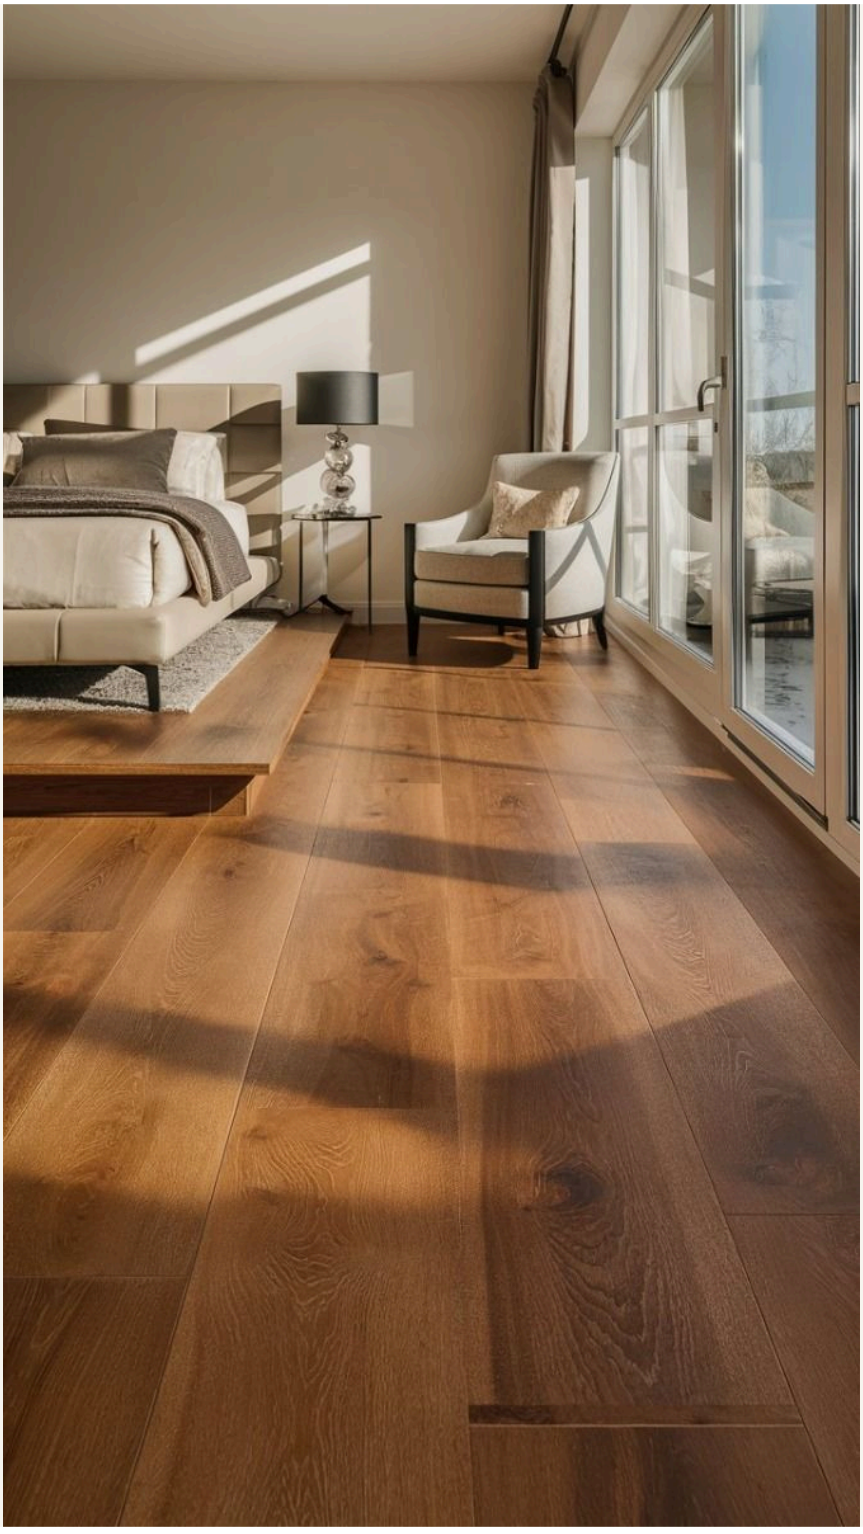

VINYL FLOORING DESIGN • COLLECTION 2026

HIGH-TRAFFIC ACOUSTIC MASTER SPC

CODE: VFL-21

Specially engineered high-traffic luxury vinyl flooring featuring enhanced acoustic absorption cushions designed for quiet sanctuaries and high-activity bedrooms.

- Double acoustic dampening layer suppressing hollow footstep echoes completely
- Superior 28 mil diamond-hard ceramic wear layer resisting heavy daily wear
- Stain-shield surface barrier repelling coffee, wine, ink, and cosmetic spills
- Non-slip textured micro-embossing providing confident barefoot stability

DESIGN REF: VFL-21

Double Acoustic Cushion • 28 Mil Ceramic Wear • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

GRAND VILLA POLISHED MARBLE LVT

CODE: VFL-22

Palatial white marble aesthetic luxury vinyl flooring designed for grand villa living spaces, delivering immense visual scale with comfortable daily warmth.

- Massive scale stone pattern minimizing repeat visibility across expansive villa halls
- Brilliant mirror finish reflecting chandelier illumination throughout living zones
- Resistant to cracking from building settlement or subfloor hairline movement
- Easy daily maintenance requiring only damp micro-fiber sweeping without waxing

DESIGN REF: VFL-22

Palatial Villa Scale • Mirror Gloss Coating • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

DESERT SAND BOUTIQUE LVT

CODE: VFL-23

Sophisticated warm desert sand textured vinyl tiles designed for upscale commercial suites, hospitality lounges, and design-forward boutique retail spaces.

- Curated desert sand tone providing a neutral canvas for designer furniture
- Extra heavy commercial rating EN 685 Class 34/43 for maximum durability
- Stain-resistant polyurethane reinforcement requiring no costly strip-and-wax routines
- Low light-reflectance matte texture eliminating irritating showroom glare

DESIGN REF: VFL-23

Desert Sand Tone • Class 34/43 Commercial • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

BLEACHED OAK SPC AE 75

CODE: VFL-24

Airy bleached white oak rigid core flooring that visually amplifies light and space in contemporary open-concept apartments and urban penthouses.

- Modern bleached oak tone softening natural contrast for airy coastal tranquility
- Rigid limestone polymer composite core engineered for zero expansion or shrinkage
- Anti-microbial surface treatment providing a hygienic foundation for young families
- Quick click-together joint system enabling single-day residential turnover

DESIGN REF: VFL-24

Airy Bleached Oak • Zero Expansion Core • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

ONTARIO SLATE LUXURY TILE LLT218

CODE: VFL-25

Authentic Canadian Ontario slate aesthetic vinyl tiles featuring textured stratified clefting and cool charcoal-blue nuances for refined architectural drama.

- Detailed cleft rock surface mimicking genuine quarried Canadian slate slabs
- Modular square tile proportions compatible with custom perimeter borders and accents
- Waterproof construction perfect for walk-in showers, mudrooms, and sculleries
- Resistant to discoloration from household cleaning solutions and chemicals

DESIGN REF: VFL-25

Canadian Ontario Slate • Modular Tile Layout • Capsule Company

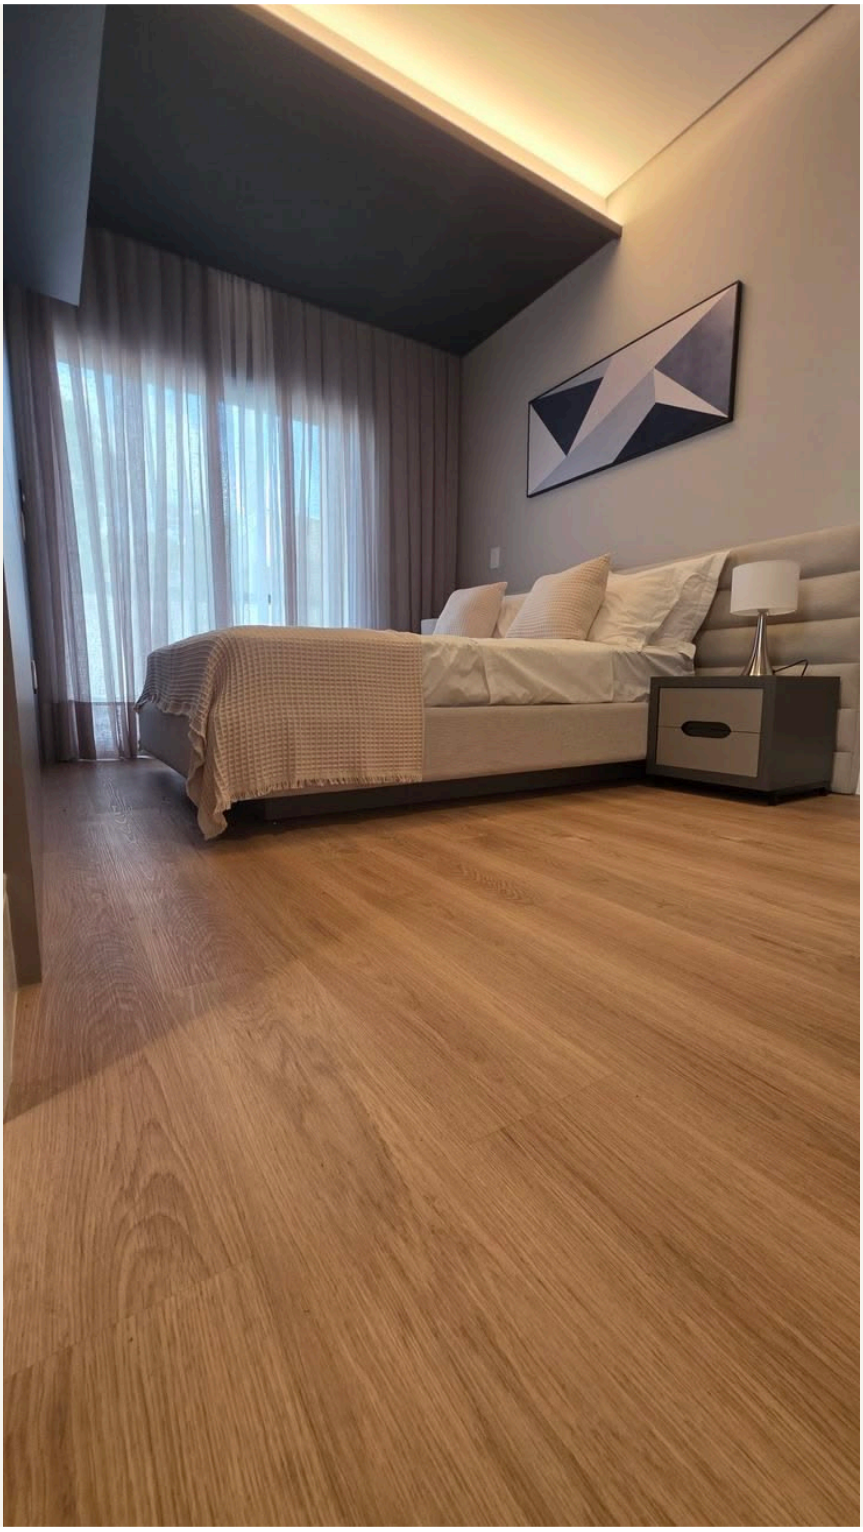

VINYL FLOORING DESIGN • COLLECTION 2026

URBAN CARTAGENA VINYL PLANK

CODE: VFL-26

Warm weathered timber visual vinyl planks inspired by Colombian colonial architecture, blending historical wood character with modern technical resilience.

- Warm rustic timber visual with authentic saw marks and aged patina details
- Reinforced fiberglass stabilizer mesh eliminating plank shrinkage and stretching
- Resistant to pet scratches, toy car impacts, and dragged dining chair legs
- Certified 100% recyclable material supporting circular architectural design

DESIGN REF: VFL-26

Cartagena Patina • Reinforced Mesh Core • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

VOLUTO MATTE FINISH VINYL

CODE: VFL-27

Understated matte natural oak finish vinyl planks engineered for sleek contemporary interiors seeking quiet luxury, tactile warmth, and durable simplicity.

- Ultra-matte finish with less than 5% gloss level for natural unfinished wood realism
- Tactile micro-textured surface offering gentle grip and authentic finger feel
- Acoustic sound dampening structure lowering ambient noise across modern lofts
- Waterproof core ready for open-plan kitchen and dining room combinations

DESIGN REF: VFL-27

Voluto Ultra-Matte • Unfinished Wood Realism • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

MULTI-LAYER RIGID CORE SPC

CODE: VFL-28

Advanced 7-layer engineered stone plastic composite flooring combining diamond-shield wear protection, high-density limestone core, and pre-attached silent underlay.

- Comprehensive 7-layer multi-ply structure designed for ultimate physical performance
- Limestone composite core virtually immune to direct sunlight warping and cupping
- Built-in silent acoustic foam backing absorbing impact vibration from footfalls
- 100% waterproof seal preventing subfloor moisture damage permanently

DESIGN REF: VFL-28

7-Layer Multi-Ply • Diamond-Shield Protection • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

WARRINGTON ARTISAN OAK PLANK

CODE: VFL-29

Artisanal English oak inspired luxury vinyl planks with delicate wire-brushed grain and warm biscuit tones, bringing comforting country house heritage into modern city homes.

- Classic English Warrington oak grain pattern with soft biscuit and tan undertones
- Embossed surface matching fine timber pores for convincing visual authenticity
- Resistant to staining from spilled red wine, turmeric cooking oils, and condiments
- Effortless floating click installation over existing level tile or concrete subfloors

DESIGN REF: VFL-29

Warrington English Oak • Wire-Brushed Pore Texture • Capsule Company

VINYL FLOORING DESIGN • COLLECTION 2026

COMMERCIAL BOUTIQUE WOOD SPC

CODE: VFL-30

Heavy-duty commercial-grade rigid SPC vinyl flooring designed to endure relentless retail and office traffic while projecting warmth, luxury, and professional refinement.

- Commercial-grade 0.7mm (28 mil) wear layer built for high-footfall retail boutiques
- Extreme scratch and scuff resistance maintaining showroom luster under heavy shoes
- Acoustic sound barrier reducing high-frequency clatter in bustling retail environments
- Slip-resistance certified R10 classification for commercial public safety

DESIGN REF: VFL-30

Commercial Grade 0.7mm • Extreme Scuff Resistance • Capsule Company
