WALL FABRIC DESIGN • COLLECTION 2026

GRID CUSHION ACOUSTIC WALL

CODE: WFB-01

Floor-to-ceiling square modular upholstered wall panels wrapped in neutral woven bouclé, providing exceptional acoustic dampening for luxury salon lounges.

DESIGN HIGHLIGHTS:

- High-performance woven bouclé fabric with stain-resistant nanocoat
- High-density 40mm acoustic memory foam core absorbing sound flutter
- Modular Z-clip rail mounting system allowing easy panel removal
- Class 1 fire-retardant commercial acoustic textile rating

DESIGN REF: WFB-01

Woven Bouclé • Acoustic Cushion • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

PLUM VELVET GEOMETRIC TILES

CODE: WFB-02

Deep plum crushed velvet upholstered square blocks framed with subtle shadow lines, creating an opulent and dramatic master headboard accent wall.

DESIGN HIGHLIGHTS:

- Heavyweight 450 GSM short-pile crushed Italian velvet
- Beveled edge cushion profile casting elegant dimensional shadows
- Concealed French cleat structural wall fastening framework
- High-resilience foam core maintaining plump shape permanently

DESIGN REF: WFB-02

Italian Velvet • Beveled Cushion • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

SLENDER FLUTED VELVET

CODE: WFB-03

Vertical ribbed upholstered channel panels in soft beige chenille, visually elevating room height while providing a tactile headboard backdrop.

DESIGN HIGHLIGHTS:

- Soft-touch microfiber chenille with subtle matte sheen
- Continuous 50mm vertical rounded fluted profile ribs
- Integrated acoustic batting reducing room reverberation by 18dB
- Precision tongue-and-groove side seam alignment

DESIGN REF: WFB-03

Fluted Chenille • Vertical Ribs • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

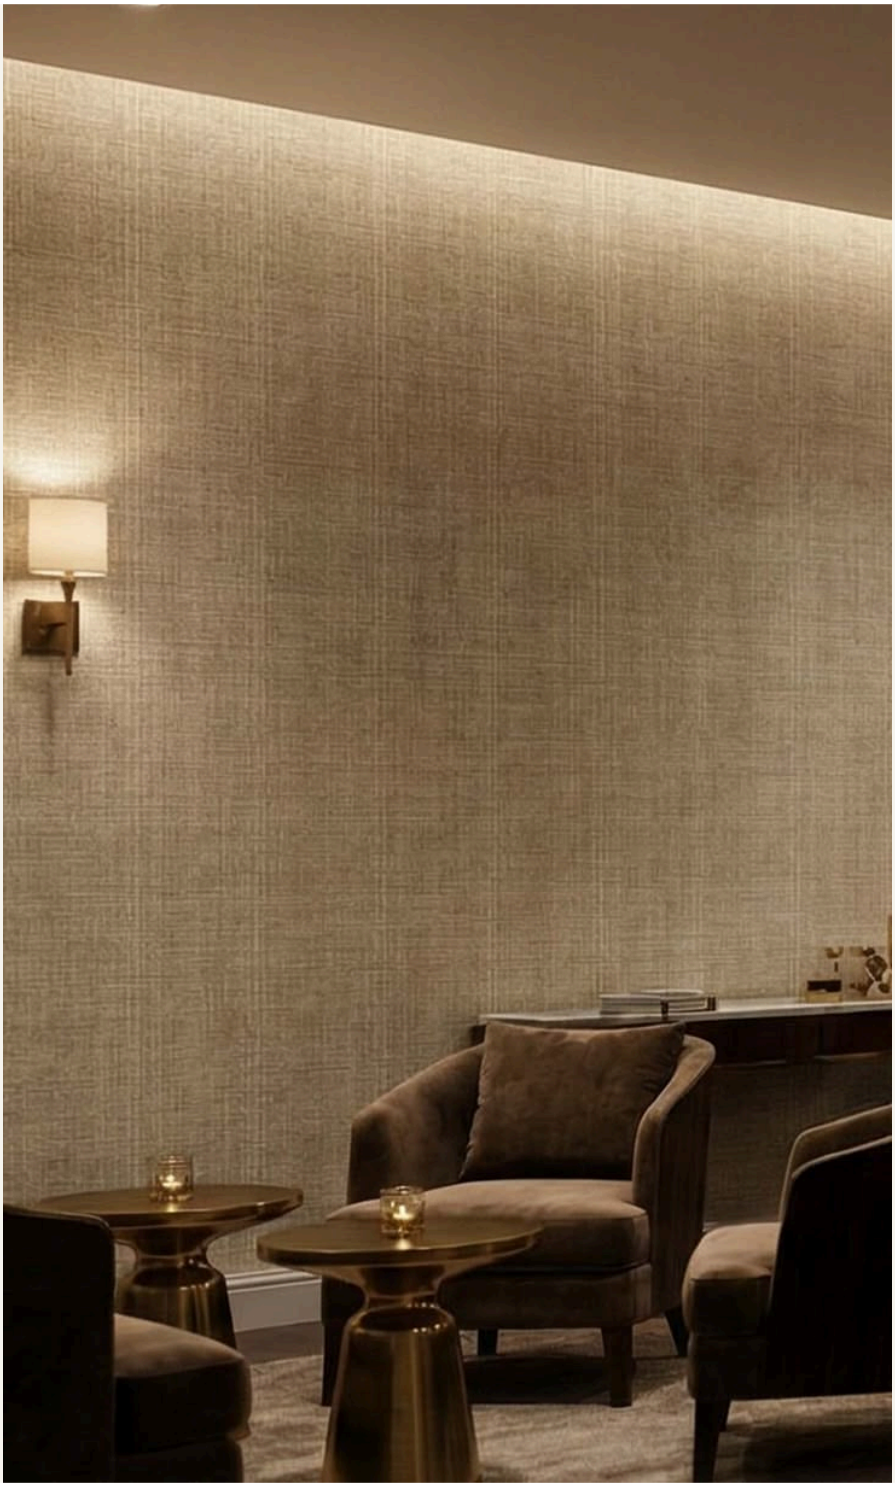

RAW ORGANIC TEXTURED WEAVE

CODE: WFB-04

Artisanal coarse-weave textured wall upholstery illuminated with integrated perimeter LED cove lighting, offering earthy Wabi-Sabi serenity.

DESIGN HIGHLIGHTS:

- 100% natural organic flax linen and jute composite weave
- Concealed perimeter LED halo channel grazing tactile texture
- Moisture-permeable breathable acoustic backing material
- Hand-tensioned onto custom lightweight aluminum stretcher frames

DESIGN REF: WFB-04

Raw Flax Linen • Cove Illumination • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

HERITAGE DAMASK TEXTILE

CODE: WFB-05

Classical jacquard damask woven fabric panels paired with architectural lower boiserie wainscoting, evoking timeless Parisian salon elegance.

DESIGN HIGHLIGHTS:

- Intricate floral jacquard damask weave with fine filament sheen
- Framed within classical polyurethane shadow-box moulding profiles
- Dust-repellent Scotchgard protective surface treatment
- Bespoke residential backdrop for formal drawing rooms

DESIGN REF: WFB-05

Jacquard Damask • Classical Boiserie • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

MONUMENTAL SCULPTURAL ROCK WEAVE

CODE: WFB-06

Grand full-height sculpted stone-textured fabric feature wall washed with dramatic warm linear grazing illumination in contemporary living pavilions.

DESIGN HIGHLIGHTS:

- Continuous sculpted dimensional fabric relief with 50mm topography
- Recessed ceiling linear warm 3000K LED wash illumination
- Reinforced acoustic substrate absorbing bass frequency reverberation
- Seamless monolithic continuous installation with hidden joins

DESIGN REF: WFB-06

Sculpted Topography • LED Wash • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

TERRACOTTA COLOR-BLOCK MODULES

CODE: WFB-07

Modern asymmetrical color-blocked upholstered blocks uniting warm terracotta, desert sand, and cream fabrics into an architectural wall tapestry.

DESIGN HIGHLIGHTS:

- Dual-tone warm terracotta and natural beige upholstery fabrics
- Asymmetric modular grid casting staggered tactile relief
- Individual magnetic clip-on tiles for effortless reconfiguration
- Antimicrobial memory foam core maintaining crisp geometric edges

DESIGN REF: WFB-07

Terracotta Palette • Color Block • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

BOTANICAL TAPESTRY ACCENT

CODE: WFB-08

Lush verdant botanical tapestry fabric wall paneling framed by dark fluted timber slats, creating an immersive indoor greenhouse ambiance.

DESIGN HIGHLIGHTS:

- High-definition jacquard woven panoramic forest foliage motif
- Flanked by vertical dark-stained architectural timber louvers
- UV-resistant non-fading dyes preserving rich emerald tones
- Padded acoustic backing dampening open living space echo

DESIGN REF: WFB-08

Botanical Tapestry • Timber Louvers • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

ILLUMINATED FLUID RIBBON WAVE

CODE: WFB-09

Sensuous curved organic wave wall upholstery embedded with concealed perimeter warm halo illumination, sculpted for luxury lounge spaces.

DESIGN HIGHLIGHTS:

- Sculptural multi-tier contoured wave relief with velvet skin
- Integrated continuous warm 2700K indirect perimeter LED channel
- Custom CNC-milled structural foam armature with curved returns
- Statement centerpiece wall for private screening rooms

DESIGN REF: WFB-09

Fluid Waves • Halo Illumination • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

ARCHED BOTANICAL SILK PANELS

CODE: WFB-10

Classical arched wall panels inset with hand-painted silk effect botanical fabric murals, framed with neoclassical architectural mouldings.

DESIGN HIGHLIGHTS:

- Fine silk-blend textile with delicate weeping willow illustration
- Dual concentric Roman arched moulding surround with gold accents
- Soft-sheen surface reflecting subtle ambient chandelier light
- Pre-stretched onto moisture-resistant backer boards

DESIGN REF: WFB-10

Silk Botanical • Neoclassical Arch • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

GEOMETRIC CUSHION SCONCE WALL

CODE: WFB-11

Padded diamond-embossed acoustic fabric wall tiles with warm integrated brass sconces, creating a calm cocoon in contemporary master bedrooms.

DESIGN HIGHLIGHTS:

- Embossed geometric relief tiles wrapped in pearl beige textile
- Pre-routed electrical pass-throughs for seamless brass sconce mounting
- Sound absorption coefficient NRC 0.75 for peaceful rest
- Commercial-grade Scotchgard stain resistant protection

DESIGN REF: WFB-11

WALL FABRIC DESIGN • COLLECTION 2026

GOLDEN LOTUS PETAL RELIEF

CODE: WFB-12

Three-dimensional lotus leaf fabric relief wall accented with delicate brushed brass vein trims and warm ceiling trough illumination.

DESIGN HIGHLIGHTS:

- Sculptural undulating lotus petal modules wrapped in suede fabric
- Electroplated hairline brushed gold dividing vein inserts
- Integrated recessed ceiling cove grazing lighting
- Showpiece backdrop for grand salon seating areas

DESIGN REF: WFB-12

Lotus Petals • Brass Veins • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

SCULPTURAL MONOCHROME WAVE

CODE: WFB-13

Grand fluid wave panels sculpted in ivory bouclé fabric, forming an expansive flowing topography that transforms with directional spotlighting.

DESIGN HIGHLIGHTS:

- Organic fluid topographical relief with 45mm sculpted depth
- Tactile ivory bouclé upholstery with dense loop construction
- Rear sub-frame engineering for direct stud wall mounting
- Superior acoustic dampening for double-height living salons

DESIGN REF: WFB-13

Bouclé Waves • Fluid Sculpture • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

FRENCH BOISERIE SILK MURAL

CODE: WFB-14

Full-wall Parisian boiserie wall paneling integrating delicate chinoiserie scenic silk murals within symmetrical painted picture-rail mouldings.

DESIGN HIGHLIGHTS:

- Panoramic chinoiserie landscape painted on fine silk weave
- Multi-tier architectural polyurethane wainscoting surround
- Anti-glare satin topcoat shielding colors against sun exposure
- Classical dining room showpiece radiating heritage charm

DESIGN REF: WFB-14

Chinoiserie Silk • French Boiserie • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

CHARCOAL LOUVER & FABRIC FOYER

CODE: WFB-15

Contrasting black vertical timber louvers paired with dark acoustic felt door surrounds, lending architectural drama to modern entryway foyers.

DESIGN HIGHLIGHTS:

- Matte black vertical timber fins with acoustic felt infill
- Flush integrated interior door seamlessly aligned with panel face
- High-impact durability for heavy-traffic entrance foyers
- Concealed magnetic latching and invisible hardware

DESIGN REF: WFB-15

Matte Charcoal • Hidden Door • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

NEOCLASSICAL CREAM LINEN BOXES

CODE: WFB-16

Symmetrical double-frame wall paneling with hand-stretched warm cream linen insets, framing curated gallery art and sconce lighting.

DESIGN HIGHLIGHTS:

- Hand-stretched organic Belgian linen fabric inserts
- Symmetric neoclassical box mouldings with mitred corners
- Neutral warm oyster white palette complementing minimalist art
- Acoustic reverberation control in open living salons

DESIGN REF: WFB-16

Belgian Linen • Symmetrical Boxes • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

FLUTED CHENILLE SEPARATION WALL

CODE: WFB-17

Architectural vertical fluted fabric partition wall flanked by carved tribal timber screens, separating formal living and reading zones.

DESIGN HIGHLIGHTS:

- Wide-flute upholstered chenille panels in warm taupe
- Flanked by hand-carved solid wood decorative accent panels
- Dual-sided acoustic baffling dampening adjacent room chatter
- Floor-to-ceiling modular tension assembly with zero visible screws

DESIGN REF: WFB-17

Fluted Taupe • Carved Timber • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

CHINOISERIE SILK SLIDING SCREENS

CODE: WFB-18

Floor-to-ceiling sliding partition panels surfaced in peach silk textile embroidered with delicate blossoming trees and birds.

DESIGN HIGHLIGHTS:

- Exquisite hand-embroidered chinoiserie blossom & avian motifs
- Concealed overhead ceiling track with silent soft-close damper
- Translucent fabric backing diffusing soft daylight between rooms
- Lightweight rigid honeycomb core resisting warp or flex

DESIGN REF: WFB-18

Embroidered Silk • Sliding Screens • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

3D INTERLOCKING SCULPTED SUEDE

CODE: WFB-19

Complex geometric interlocking 3D wall modules wrapped in charcoal faux-suede with warm overhead spotlight grazing across sculptural peaks.

DESIGN HIGHLIGHTS:

- Interlocking geometric puzzle tile layout with dynamic 3D contours
- Ultra-matte faux-suede microfiber with rich tactile hand-feel
- Directional spotlighting casts dramatic architectural shadows
- High sound absorption NRC 0.82 for high-end home theaters

DESIGN REF: WFB-19

Sculpted Suede • Geometric Puzzle • Capsule Company

WALL FABRIC DESIGN • COLLECTION 2026

VELVET CHANNEL BACKLIT HEADBOARD

CODE: WFB-20

Expansive vertical grey velvet channel panels bordered by natural walnut timber flutes and warm integrated ambient LED light strips.

DESIGN HIGHLIGHTS:

- Plush grey micro-velvet vertical channel upholstered headboard
- Flanked by natural quarter-cut American walnut timber louvers
- Integrated dual vertical warm 3000K LED light channels
- Flush concealed nightstand attachment structural subframe

DESIGN REF: WFB-20
