ARTISANAL WHITE OAK SHAKER POLISH

Bespoke white oak shaker cabinetry finished in an ultra-matte, non-yellowing polyurethane sealer that accentuates the delicate pale blonde wood grain. Formulated with UV inhibitors and moisture barriers for lasting kitchen and pantry durability.

- Two-component non-yellowing acrylic polyurethane matte clear coat
- True-to-nature 5% dead-matte sheen preserving tactile wood warmth
- High resistance against cooking steam, grease, and household detergents
- Micro-porous grain enhancement highlighting subtle oak medullary rays

FULL-HEIGHT NATURAL OAK SATIN CABINETRY

Floor-to-ceiling modular kitchen casework showcasing continuous vertical wood grains sealed under premium architectural satin polyurethane. Designed for upscale culinary environments where natural timber warmth meets high-traffic resilience.

- Multi-coat polyurethane system offering superior scratch and scuff defense
- Even pigment toners evening out natural timber tone variations seamlessly
- Anti-bacterial topcoat additive inhibiting microbial surface growth
- Compatible with concealed under-cabinet warm linear LED lighting

BURMA TEAK MIRROR GLOSS FINISH

Masterfully hand-finished solid teak panel doors treated with a multi-stage high-gloss polyurethane glaze delivering wet-mirror optical reflectivity. The warm golden-amber teak grain radiates deep dimensional luminosity under direct light.

- 95% wet-look mirror gloss achieving true distortion-free reflections
- Multi-stage buffing and wool-pad compound polishing for glass smoothness
- High solids resin barrier preventing moisture penetration and grain lifting
- Accentuated natural golden-brown teak streaks and undulating growth rings

DESIGN REF: WPL-03

HAND-RUBBED HARDWAX OIL & GRAIN POLISH

Traditional artisan wood finishing utilizing natural carnauba and beeswax infused with botanical hardening oils. Penetrates deep into open wood pores to create a breathable, water-resistant surface with an incomparable organic touch.

- 100% natural solvent-free plant oil and beeswax formulation
- Open-pore micro-finish leaving the natural timber texture completely tactile
- Effortless spot repairability without needing complete surface strip-downs
- Deep antique amber patina highlighting knots, swirls, and natural fissures

DESIGN REF: WPL-04

CONTEMPORARY AMERICAN WALNUT ULTRA-MATTE

Architectural full-height master wardrobe suite finished in a refined zero-gloss walnut melamine sealer. Delivers an understated luxury aesthetic that balances rich espresso wood undertones with modern monolithic minimalism.

- Dead-flat matte formulation completely eliminating unwanted glare
- Anti-fingerprint technology minimizing marks on frequently touched doors
- Superior edge-banding adhesion sealing plywood cores against humidity
- Rich chocolate and taupe grain highlights complementing warm interior palettes

ROYAL HERITAGE CARVED MAHOGANY POLISH

Grand ornamental royal bedstead crafted from kiln-seasoned tropical mahogany, treated with layered antique shaded glazes and hand-burnished highlights. Deep shadow tones accentuate intricate hand-carved floral flourishes and fluted columns.

- Hand-shaded antique glaze accentuating intricate carvings and moldings
- Traditional shellac and lacquer multi-coat build with rich amber depth
- Hand-buffed wax topcoat yielding a luxurious soft-sheen museum patina
- Permanent timber pore sealing preventing seasonal hairline crazing

SCANDINAVIAN HONEY OAK SUITE FINISH

Refined modern bedroom collection crafted from select European white oak, tinted in a gentle honey wash and sealed with waterborne acrylic polyurethane. Promotes a calming, light-filled atmosphere with serene Japandi and Nordic sensibilities.

- Subtle warm honey pigment enhancing natural wood fiber warmth
- Water-based eco polyurethane finish with ultra-low odor and zero toxins
- Silky tactile texture inviting touch across headboard and dresser surfaces
- UV-stabilized formula protecting against fading from natural daylight

CLASSICAL WALNUT CREDENZA FRENCH POLISH

Artisanal entertainment credenza featuring ornamental scrollwork and recessed door panels, finished using historic French spirit polishing techniques. Successive micro-thin coats of de-waxed blonde shellac build an unmatched optical depth and warmth.

- Authentic button shellac applied by hand using traditional polishing pads
- Exceptional optical clarity allowing chatoyance and grain figure to dance
- Subtle burnished luster that matures and enriches beautifully with age
- Fine-rubbed rottenstone powder finish delivering satiny smooth feel

DESIGN REF: WPL-08

MODULAR GEOMETRIC BLOCK WALNUT DOOR

Avant-garde interior door crafted with alternating grain blocks and recessed vertical jamb flutes, sealed in an open-pore natural matte finish. Offers a striking tactile architectural statement for modern urban apartments and penthouses.

- Open-pore finish preserving the authentic textural topography of walnut
- Dead-matte 5% gloss preventing distracting glints from hallway lights
- Deep brown and violet walnut grain tones brought out without heavy dyes
- Precision CNC-routed joinery sealed against dust accumulation

DESIGN REF: WPL-12
